**100 questions for boyfriend and girlfriend: How to Fall in Love with Anyone** Mandy Len Catron, 2017-06-27 "A beautifully written and well-researched cultural criticism as well as an honest memoir" (Los Angeles Review of Books) from the author of the popular New York Times essay, "To Fall in Love with Anyone, Do This," explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, "Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation" (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists' research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she'd read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. "Perfect fodder for the romantic and the cynic in all of us" (Booklist), How to Fall in Love with Anyone flips the script on love. "Clear-eyed and full of heart, it is mandatory reading for anyone coping with—or curious about—the challenges of contemporary courtship" (The Toronto Star).

**100 questions for boyfriend and girlfriend: A More Beautiful Question** Warren Berger, 2014-03-04 To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse

businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems—from “How can I adapt my career in a time of constant change?” to “How can I step back from the daily rush and figure out what really makes me happy?” By showing how to approach questioning with an open, curious mind and a willingness to work through a series of “Why,” “What if,” and “How” queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

**100 questions for boyfriend and girlfriend: Sacred Cows** Danielle Teller, Astro Teller, 2014-07-01 A husband-and-wife doctor team offers fresh and startling perspective on one of our most cherished and misunderstood institutions. Drs. Astro and Danielle Teller know better than most that finding the right partner in life doesn't always happen the first time around. Through their own divorces they learned how widely held cultural assumptions and misinformation that nobody thinks to question—what they refer to as “sacred cows”—create unnecessary heartache for people who are already suffering through a terrible time. Do you think, for example, that the divorce rate in the United States is rising? Or that children are harmed by divorce? Most people do, but it turns out that

neither of these notions is supported by the data. Combining the rigor that has established them as leaders in their respective fields along with a dose of good-natured humor, the Tellers ask readers to take a fresh look at seven common sacred cows: the Holy Cow, the Expert Cow, the Selfish Cow, the Defective Cow, the Innocent Victim Cow, the One True Cow, and the Other Cow. This is not a book that is “for” marriage or “for” divorce, but “for” the freedom to decide how to live most honestly and happily either as part of a couple or a single person.

After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called “Legendborn” students that hunt the creatures down. And a mysterious teenage mage who calls himself a “Merlin” and who attempts—and fails—to wipe Bree’s memory of everything she saw. Now that Bree knows there’s more to her mother’s death than what’s on the police report, she’ll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society’s secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur’s knights and explain that a magical war is coming, Bree has to decide how far she’ll go for the truth and whether she should use her magic to take the society down—or join the fight.

**100 questions for boyfriend and girlfriend:** *It's Not You* Sara Eckel, 2014-01-07 "Why am I still single?" If you're single and searching, there's no end to other people's explanations, excuses, and criticism explaining why you haven't found a partner: "You're too picky. Just find a good-enough guy and you'll be fine." "You're too desperate. If men think you need them, they'll run scared." "You're too independent. Smart, ambitious women always have a harder time finding mates." "You have low self-esteem. You can't love someone else until you've learned to love yourself." "You're too needy. You can't be happy in a relationship until you've learned to be happy on your own." Based on one of the most popular Modern Love columns of the last decade, Sara Eckel's *It's Not You* challenges these myths, encouraging singletons to stop picking apart their personalities and to start tapping into their own wisdom about who and what is right for them. Supported by the latest psychological and sociological research, as well as interviews with people who have experienced longtime singledom, Eckel creates a strong and empowering argument to understand and accept that there's no one reason why you're single—you just are.

**100 questions for boyfriend and girlfriend:** *Between Two Kingdoms* Suleika Jaouad, 2021-02-09 NEW YORK TIMES BESTSELLER • A searing, deeply moving memoir of illness and recovery that traces one young woman's journey from diagnosis to remission to re-entry into "normal" life—from the author of the *Life, Interrupted* column in *The New York Times* ONE OF THE BEST BOOKS OF THE YEAR: *The New York Times* Book Review, *The Washington Post*, *Bloomberg*, *The Rumpus*, *She Reads*, *Library Journal*, *Booklist* • "I was immersed for the whole ride and would follow Jaouad anywhere. . . . Her writing restores the moon, lights the way as we learn to endure the unknown."—Chanel Miller, *The New York Times* Book Review "Beautifully crafted . . . affecting . . . a transformative read . . . Jaouad's insights about the self, connectedness, uncertainty and time speak to all of us."—*The Washington Post* In the summer after graduating from college, Suleika Jaouad was preparing, as they say in commencement speeches, to enter "the real world." She had fallen in love and moved to Paris to pursue her dream of becoming a war correspondent. The real world she found, however, would take her into a very different kind of conflict zone. It started with an itch—first on her feet, then up her legs, like a thousand invisible mosquito bites. Next came the exhaustion, and the six-hour naps that only deepened her fatigue. Then a trip to the doctor and, a few weeks shy of her twenty-third birthday, a diagnosis: leukemia, with a 35 percent chance of survival. Just like that, the life she had imagined for herself had gone up in flames. By the time Jaouad flew home to New York, she had lost her job, her apartment, and her independence. She would spend much of the next four years in a hospital bed, fighting for her life and chronicling the saga in a column for *The New York Times*. When Jaouad finally walked out of the cancer ward—after countless rounds of chemo, a clinical trial, and a bone marrow transplant—she was, according to the doctors, cured. But as she would soon learn, a cure is not where the work of healing ends; it's where it begins. She had spent the past 1,500 days in desperate pursuit of one goal—to survive. And now that she'd done so, she realized that she had no idea how to live. How would she reenter the world and live again? How could she reclaim what had been lost? Jaouad embarked—with her new best

friend, Oscar, a scruffy terrier mutt—on a 100-day, 15,000-mile road trip across the country. She set out to meet some of the strangers who had written to her during her years in the hospital: a teenage girl in Florida also recovering from cancer; a teacher in California grieving the death of her son; a death-row inmate in Texas who'd spent his own years confined to a room. What she learned on this trip is that the divide between sick and well is porous, that the vast majority of us will travel back and forth between these realms throughout our lives. *Between Two Kingdoms* is a profound chronicle of survivorship and a fierce, tender, and inspiring exploration of what it means to begin again.
