Sophisticated Anne Boleyn, raised in the decadent court of France, was in love with another man when King Henry claimed her as his own. Being his mistress gave her a position of power; being his queen put her life in jeopardy. Her younger cousin, Catherine Howard, was only fifteen when she was swept into the circle of King Henry. Her innocence attracted him, but a past mistake was destined to haunt her. Painted in the rich colors of Tudor England, *Murder Most Royal* is a page-turning journey into the lives of two of the wives of the tempestuous Henry VIII. 30 days of writing prompts: *Eve* Jenna Moreci, 2015-08-10 Eve is an outcast. A chimera. After years of abuse and rejection, 19-year-old Evelyn Kingston is ready for a fresh start in a new city, where no one knows her name. The esteemed Billington University in Southern California seems like the perfect place to reinvent herself-to live the life of an ordinary human. But things at Billington aren't as they seem. In a school filled with prodigies, socialites, and the leaders of tomorrow, Eve finds that the complex social hierarchy makes passing as a human much harder than she had anticipated. Even worse, Billington is harboring a secret of its own: Interlopers have infiltrated the university, and their sinister plans are targeted at chimeras-like Eve. Instantly, Eve's new life takes a drastic turn. In a time filled with chaos, is the world focusing on the wrong enemy? And when the situation at Billington shifts from hostile to dangerous, will Eve remain in the shadows, or rise up and fight?

30 days of writing prompts: *Clarinda Cloud* Jodi Desautels, 2013-02-06 With so many social issues centered the identification and healthy sharing of feelings, it is important to teach these skills to children early. "Clarinda Cloud" addresses these issues at a very basic level in a way that is fun for children. For this reason, "Clarinda Cloud" would be great for elementary teachers, daycare providers, parents and grandparents of young children, and child counselors.Clarinda Cloud has various feelings. With each feeling her face shows that feeling and she turns a different color. When she shares her feelings, she turns back to a white cloud with a happy face. Wonderful discussions could stem from reading this book with children. This is Clarinda Cloud's angry face, what is your angry face? for example.The reading level is set at a preschool level. However, considering the basic concepts of colors and feelings and the repetition of the text, the audience level could spread from age 2 to 6. With the repetitive text and the whimsical illustrations, young children of just about any age will feel good in knowing how to "read" it, even if only be memorization and taking cues from the illustrations.
