2023 missouri travel guide: Come from Away Genevieve Graham, 2018-04-24 From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. *Come from Away* is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

2023 missouri travel guide: Smitten Kitchen Every Day Deb Perelman, 2017-10-24 NEW YORK TIMES BEST SELLER • From the best-selling author of *The Smitten Kitchen Cookbook*—this everyday cookbook is “filled with fun and easy ... recipes that will have you actually looking forward to hitting the kitchen at the end of a long work day” (Bustle). A happy discovery in the kitchen has the ability to completely change the course of your day. Whether we’re cooking for ourselves, for a date night in, for a Sunday supper with friends, or for family on a busy weeknight, we all want recipes that are unfussy to make with triumphant results. Deb Perelman, award-winning blogger, thinks that cooking should be an escape from drudgery. *Smitten Kitchen Every Day: Triumphant and Unfussy New Favorites* presents more than one hundred impossible-to-resist recipes—almost all of them brand-new, plus a few favorites from her website—that will make you want to stop what you’re doing right now and cook. These are real recipes for real people—people with busy lives who don’t want to sacrifice flavor or quality to eat meals they’re really excited about. You’ll want to put these recipes in your Forever Files: Sticky Toffee Waffles (sticky toffee pudding you can eat for breakfast), Everything Drop Biscuits with Cream Cheese, and Magical Two-Ingredient Oat Brittle (a happy accident). There’s a (hopelessly, unapologetically inauthentic) Kale Caesar with Broken Eggs and Crushed Croutons, a Mango Apple Ceviche with Sunflower Seeds, and a Grandma-Style Chicken Noodle Soup that fixes everything. You can make Leek, Feta, and Greens Spiral Pie, crunchy Brussels and Three Cheese Pasta Bake that tastes better with brussels sprouts than without, Beefsteak Skirt Steak Salad, and Bacony Baked Pintos with the Works (as in, giant bowls of beans that you can dip into like nachos). And, of course, no meal is complete without cake (and cookies and pies and puddings): Chocolate Peanut Butter Icebox Cake (the icebox cake to end all icebox cakes), Pretzel Linzers with Salted Caramel, Strawberry Cloud Cookies, Bake Sale Winning-est Goopy Oat Bars, as well as the ultimate Party Cake Builder—four one-bowl cakes for all occasions with mix-and-match frostings (bonus: less time spent doing dishes means everybody wins). Written with Deb’s trademark humor and gorgeously illustrated with her own photographs, *Smitten Kitchen Every Day* is filled with what are sure to be your new favorite things to cook. Look for Deb Perelman’s latest cookbook, *Smitten Kitchen Keepers*!

2023 missouri travel guide: *Smart RV Travel Guide for the Lower 48 States* Ron Samson, 2018-01-16 *Smart RV Travel Guide For The Lower 48 States* List of RV & National Parks, the Cost, the Amenities, What to See and Do in Each State *Smart RV travel guide For the Continental 48 states* is a three-year compilation of all the RV parks and National parks in each and every state in the continental US. I outlined all the amenities they offer, the actual cost to stay and so much more. We gathered this data from our last three trips across all 48 states. I also included what to see, where to visit and what they are famous for in each of the states. For each state, I created a detail travel plan that covers everything that is worth seeing along with where to stay while visiting that state. There are 48 chapters, each representing one individual state. Each state is divided into three categories. Suggested RV trips - this is where I outline what the main attractions are for each of the states including cities, next I name each and every RV parks, the amenities they offer and what the costs are. Finally, I discuss all the state parks in each state and what perks and goodies they offer along with actual costs. By profession, I was in instructional design, where I designed various commercial and industrial training modules and helped create mini-guides which are far from writing an RV travel guide. I am not qualified to write such guides, but after our 3rd around the country trips, my wife made a convincing argument that people like us could truly benefit from such guides which we didn't have when we first started traveling around our great country. It took me little over nine months to gather all the information and start writing. It is a no-fluff guide with no storytelling as I am good at writing fiction, so I didn't even try, I stayed with the facts and information that I know is helpful to everyone that is looking to take a trip around our good ole' USA. My wife and I were lucky enough to be able to retire at age 52. We both share one passion, and that is the beautiful wide open roads and to see this great vast country of ours. We were able to buy us gently used Class A Fleetwood Southwind for a very reasonable price. It is spacious, maybe a little too spacious for just two of us, but we love every bit of it. It drives beautifully, and the interior comfort is almost like a 5-star hotel. We both love living in it. We spend roughly five months out of the year on the road; we take a 2.5 month long trip around the lower half of the country during the spring, then another 2.5-3 month's long trip during late summer to early fall around the upper part of the country. Since we have been to each of the lower 48 states a dozen or so times and tried out various parks and amenities in every state. We have decided to share all our knowledge here with you. Enjoy the freedom of open roads.

OUR STORY Traveling is a passion of the Greater than a Tourist book series creator. Lisa studied abroad in college, and for their honeymoon Lisa and her husband toured Europe. During her travels to Malta, an older man tried to give her some advice based on his own experience living on the island since he was a young boy. She was not sure if she should talk to the stranger but was interested in his advice. When traveling to some places she was wary to talk to locals because she was afraid that they weren't being genuine. Through her travels, Lisa learned how much locals had to share with tourists. Lisa created the Greater Than a Tourist book series to help connect people with locals. A topic that locals are very passionate about sharing.

2023 missouri travel guide: Missouri Caves in History and Legend H. Dwight Weaver, 2008-02-01 Missouri has been likened to a "cave factory" because its limestone bedrock can be slowly dissolved by groundwater to form caverns, and the state boasts more than six thousand caves in an unbelievable variety of sizes, lengths, and shapes. Dwight Weaver has been fascinated by Missouri's caves since boyhood and now distills a lifetime of exploration and research in a book that will equally fascinate readers of all ages. Missouri Caves in History and Legend records a cultural heritage stretching from the end of the ice age to the twenty-first century. In a grand tour of the state's darkest places, Weaver takes readers deep underground to shed light on the historical significance of caves, correct misinformation about them, and describe the ways in which people have used and abused these resources. Weaver tells how these underground places have enriched our knowledge of extinct animals and early Native Americans. He explores the early uses of caves: for the mining of saltpeter, onyx, and guano; as sources of water; for cold storage; and as livestock shelters. And he tells how caves were used for burial sites and moonshine stills, as hideouts for Civil War soldiers and outlaws—revealing how Jesse James became associated with Missouri caves—and even as venues for underground dance parties in the late nineteenth century. Bringing caves into the modern era, Weaver relates the history of Missouri's "show caves" over a hundred years—from the opening of Mark Twain Cave in 1886 to that of Onyx Mountain Caverns in 1990—and tells of the men and women who played a major role in expanding the state's tourism industry. He also tracks the hunt for the buried treasure and uranium ore that have captivated cave explorers, documents the emergence of organized caving, and explains how caves now play a role in wildlife management

by providing a sanctuary for endangered bats and other creatures. Included in the book is an overview of cave resources in twelve regions, covering all the counties that currently have recorded caves, as well as a superb selection of photos from the author's extensive collection, depicting the history and natural features of these underground wonders. *Missouri Caves in History and Legend* is a riveting account that marks an important contribution to the state's heritage and brings this world of darkness into the light of day.
