**4000 questions and answers on the bible pdf: God's Grand Plan of the Ages** Chicago Bible Students, 2016-02-03 God's Grand Plan of the Ages captures the highlights of the more comprehensive book The Divine Plan of the Ages. Though brief in nature, this 96-page booklet shares a satisfying explanation of age-old questions: Why does a God of love permit the evil we see in the world? Why are there tsunamis and earthquakes that kill thousands—and wars that kill millions? Why must we experience pain, heartache and finally death? When will God's Kingdom come and His will be done on earth as it is in heaven? God's Grand Plan of the Ages also covers the signs of the Time of the End prophesied in the book of Daniel (Daniel 12:1-4). Daniel's prediction that knowledge would be increased is happening before our very eyes as we see the Brain Age coming in at an unprecedented rate. Though technology has been a blessing in many ways, man's selfishness and greed is also leading the world to an ever increasing time of trouble, such as never was since there was a nation. What a comfort to know, that this trouble is a prophetic sign indicating that we are on the brink of the Golden Age that mankind has longed for since the dawn of history! God's Kingdom will be more wonderful, more glorious, more all encompassing, than all the dreams of philosophers, poets and sages. There will be a world of peace (Psalm 46:9) The healing of all the defects of humanity (Isaiah 35:5,6) Moral integrity will be planted in every heart (Jeremiah 31:33) All the dead of past ages will be raised to life again (1 Cor. 15:22) Sorrow, pain, tears and death itself will cease (Revelation 21:4) No eye has seen, no ear has heard, no mind has conceived, what God has prepared for those who love him (1 Corinthians 2:9) We hope you will receive a blessing from reading this booklet. We also recommend reading The Divine Plan of the Ages, available FREE on a DVD offered on the back of the booklet. It is but the first book in a series of six that covers every major doctrine of the Bible as a topical study with a harmony that is unprecedented in Christian literature. This six-volume set is also available FREE on the DVD—or at cost, in a hard bound edition.

**4000 questions and answers on the bible pdf: The Bible Tells Me So** Peter Enns, 2014-09-09 The controversial Bible scholar and author of The Evolution of Adam recounts his transformative spiritual journey in which he discovered a new, more honest way to love and appreciate God's Word. Trained as an evangelical Bible scholar, Peter Enns loved the Scriptures and shared his devotion, teaching at Westminster Theological Seminary. But the further he studied the Bible, the more he found himself confronted by questions that could neither be answered within the rigid framework of his religious instruction or accepted among the conservative evangelical community. Rejecting the increasingly complicated intellectual games used by conservative Christians to "protect" the Bible,

Enns was conflicted. Is this what God really requires? How could God's plan for divine inspiration mean ignoring what is really written in the Bible? These questions eventually cost Enns his job—but they also opened a new spiritual path for him to follow. *The Bible Tells Me So* chronicles Enns's spiritual odyssey, how he came to see beyond restrictive doctrine and learned to embrace God's Word as it is actually written. As he explores questions progressive evangelical readers of Scripture commonly face yet fear voicing, Enns reveals that they are the very questions that God wants us to consider—the essence of our spiritual study.

**4000 questions and answers on the bible pdf: Look What's Missing!** David W. Daniels, 2011 Publishers are removing things from new Bibles! Publishers of modern Bible versions have been removing words, phrases, and even whole verses, but their readers are often unaware of it. Few people know the Bible well enough to notice when something has been taken out. But the results are hard to believe. The removal of one tiny word turns Jesus into a liar. Callers into Christian talk shows have even used this to say that it's okay for a Christian to lie. After all, they say, Jesus did it. A verse that's completely missing from some of the most popular Bibles available today completely removes one of the basic doctrines found in every evangelical church. When David Daniels shows this one to people they just stand with their mouths open and say, "I can't believe it!" In another case, Jesus' own words are removed, taking out a famous phrase in which Jesus explains why He came to earth. People react with: "They took out Jesus words! How can they do that?" This information has been right under our noses for years, but no one has ever taken the time to cull through this many Bible versions and find the missing parts. Author David Daniels did the research and now releases his results for the Christian world to see what is really missing. How about your Bible? Is it on the list of Bibles with pieces taken out? You might be surprised when you look at what's missing.

His work explains how we can know easy things, like whether it was rain or a sprinkler that made a sidewalk wet; and how to answer hard questions, like whether a drug cured an illness.
