640 freedom business center drive king of prussia pa 19406: Please Stop Laughing at Me Jodee Blanco, 2022-04-19 In this timely update of the seminal classic, author and activist Jodee Blanco reveals how she simply set out to share her story-and ended up igniting a grassroots movement in the nation's schools. The first survivor of school bullying to look back on those experiences as an adult, Jodee brings you up to speed on her life and work since the book's initial release with a new chapter, all-new Letter to My Readers, and Reader's Guide. She also offers the latest information on digital and cyberbullying, the Adult Survivor of Peer Abuse, her in-school antibullying program, INJJA (It's NOT Just Joking Around!), and provides discussion questions for

schools. While other children were daydreaming about dances, first kisses, and college, Jodee Blanco was trying to figure out how to go from homeroom to study hall without being taunted or spit upon as she walked through the halls. This powerful, unforgettable memoir chronicles how one child was shunned-and even physically abused-by her classmates from elementary school through high school. It is an unflinching look at what it means to be the outcast, how even the most loving parents can get it all wrong, why schools are often unable to prevent disaster, and how bullying has been misunderstood and mishandled by the mental health community--
