# 1. Diagnosing Your 401(k): Identifying the Problem Areas

Before you can fix your 401(k), you need to understand what's wrong. This section of our 401(k) fix-it guide focuses on identifying common issues:

High Fees: Excessive expense ratios can significantly erode your returns over time. This 401(k) fix-it guide emphasizes the importance of comparing fees across different funds.

Poor Asset Allocation: An improperly diversified portfolio exposes you to unnecessary risk. Learn how to assess your current allocation and adjust it to align with your risk tolerance and retirement goals.

Lack of Diversification: Investing solely in company stock or a few specific sectors can be devastating if those investments underperform. This 401(k) fix-it guide highlights the benefits of a diversified portfolio.

Insufficient Contributions: Not contributing enough to maximize employer matching and take advantage of tax benefits can severely hinder your retirement savings.

Missed Opportunities: Ignoring features like catch-up contributions or rollovers into more favorable accounts can limit your growth potential.

This 401(k) fix-it guide will help you systematically evaluate your plan to pinpoint specific weaknesses.

# 2. Implementing the Solutions: A Step-by-Step Approach

This section of our 401(k) fix-it guide provides practical steps to address the problems identified in the previous section:

Lowering Fees: Explore lower-cost index funds or ETFs within your 401(k) plan. Consider negotiating fees with your employer if possible.

Optimizing Asset Allocation: Rebalance your portfolio to reflect your risk tolerance and time horizon. Consider consulting a financial advisor for personalized guidance.

Diversifying Your Holdings: Spread your investments across various asset classes, sectors, and geographies to reduce risk.

Increasing Contributions: Maximize employer matching contributions and increase your own contributions gradually. Explore catch-up contributions if you're over 50.

Exploring Rollovers and Other Options: Consider rolling over your 401(k) to a traditional IRA or Roth IRA if your current plan has high fees or limited investment options.

## 3. Avoiding Future Mistakes: Best Practices for 401(k) Management

This section of your 401(k) fix-it guide focuses on preventative measures:

Regular Monitoring: Review your 401(k) statement regularly to track your progress and identify potential problems early on.

Annual Rebalancing: Rebalance your portfolio at least once a year to maintain your desired asset allocation.

Staying Informed: Keep up-to-date on investment trends and changes in retirement regulations. Seeking Professional Advice: Don't hesitate to consult a financial advisor for personalized guidance and support.

# 4. The Power of Catch-Up Contributions: Maximizing Your Retirement Savings

This section details the benefits of catch-up contributions, particularly for those age 50 and older, allowing them to boost their retirement savings significantly. The 401(k) fix-it guide underscores the importance of understanding and utilizing this powerful tool.

# 5. Understanding 401(k) Rollovers: A Smooth Transition to Better Options

This section of the 401(k) fix-it guide explains the process of rolling over your 401(k) to a different account, such as an IRA, to potentially access lower fees or a broader range of investment options.

# Conclusion

This 401(k) fix-it guide provides a comprehensive framework for assessing, repairing, and optimizing your retirement savings plan. By proactively addressing common pitfalls and implementing the best practices outlined, you can significantly improve your chances of achieving a secure and comfortable retirement. Remember, seeking professional financial advice is often invaluable in navigating the complexities of retirement planning.

The Master Guide to Controllers' Best Practices, Second Edition has been revised and updated to provide controllers with the information they need to successfully monitor their organizations' internal control environments and offer direction and consultation on internal control issues. In addition, the authors include guidance to help controllers carryout their responsibilities to ensure that all financial accounts are reviewed for reasonableness and are reconciled to supporting transactions, as well as performing asset verification. Comprehensive in scope the book contains the best practices for controllers and: Reveals how to set the right tone within an organization and foster an ethical climate Includes information on risk management, internal controls, and fraud prevention Highlights the IT security controls with the key components of successful governance Examines the crucial role of the controller in corporate compliance and much more The Master Guide to Controllers' Best Practices should be on the bookshelf of every controller who wants to ensure the well-being of their organization. In addition to their traditional financial role, today's controllers (no matter how large or small their organization) are increasingly occupying top leadership positions. The revised and updated Second Edition of The Master Guide to Controllers' Best Practices provides an essential resource for becoming better skilled in such areas as strategic planning, budgeting, risk management, and business intelligence. Drawing on the most recent research on the topic, informative case studies, and tips from finance professionals, the book highlights the most important challenges controllers will face. Written for both new and seasoned

controllers, the Guide offers a wide range of effective tools that can be used to improve the skills of strategic planning, budgeting, forecasting, and risk management. The book also contains a resource for selecting the right employees who have the technical knowledge, analytical expertise, and strong people skills that will support the controller's role within an organization. To advance overall corporate performance, the authors reveal how to successfully align strategy, risk management, and performance management. In addition, the Guide explains what it takes to stay ahead of emerging issues such as healthcare regulations, revenue recognition, globalization, and workforce mobility. As controllers adapt to their new leadership roles and assume more complex responsibilities, The Master Guide to Controllers' Best Practices offers an authoritative guide to the tools, practices, and ideas controllers need to excel in their profession.

**401k fix it guide:** *Save More Tomorrow* Shlomo Benartzi, 2012-04-12 One of the world's top experts in behavioral finance offers innovative strategies for improving 401(k) plans. Half of Americans do not have access to a retirement saving plan at their workplace. Of those who do about a third fail to join. And those who do join tend to save too little and often make unwise investment decisions. In short, the 401(k) world is in crisis, and workers need help. Save More Tomorrow provides that help by focusing on the behavioral challenges that led to this crisis inertia, limited self-control, loss aversion, and myopia—and transforms them into behavioral solutions. These solutions, or tools, are based on cutting edge behavioral finance research and they can dramatically improve outcomes by, for example, helping employees: -Save, even if they aren't ready to do so now, by using future enrollment. -Save more by showing them images of their future selves. -Save smarter by reshuffling the order of funds on the investment menu. Save More Tomorrow is the first comprehensive application of behavioral finance to improve retirement outcomes. It also makes it easy for plan sponsors and their advisers to apply these behavioral tools using its innovative Behavioral Audit process.

**401k fix it guide: (Circular E), Employer's Tax Guide - Publication 15 (For Use in 2021)** Internal Revenue Service, 2021-03-04 Employer's Tax Guide (Circular E) - The Families First Coronavirus Response Act (FFCRA), enacted on March 18, 2020, and amended by the COVID-related Tax Relief Act of 2020, provides certain employers with tax credits that reimburse them for the cost of providing paid sick and family leave wages to their employees for leave related to COVID-19. Qualified sick and family leave wages and the related credits for qualified sick and family leave wages are only reported on employment tax returns with respect to wages paid for leave taken in quarters beginning after March 31, 2020, and before April 1, 2021, unless extended by future legislation. If you paid qualified sick and family leave wages in 2021 for 2020 leave, you will claim the credit on your 2021 employment tax return. Under the FFCRA, certain employers with fewer than 500 employees provide paid sick and fam-ily leave to employees unable to work or telework. The FFCRA required such employers to provide leave to such employees after March 31, 2020, and before January 1, 2021. Publication 15 (For use in 2021)

**401k fix it guide:** A Look at 401(k) Plan Pees, 2010 **401k fix it guide:** Learn to Earn Peter Lynch, John Rothchild, 2012-11-27 Mutual fund

superstar Peter Lynch and author John Rothchild explain the basic principles of the stock market and business in an investing guide that will enlighten and entertain anyone who is high school age or older. Many investors, including some with substantial portfolios, have only the sketchiest idea of how the stock market works. The reason, say Lynch and Rothchild, is that the basics of investing—the fundamentals of our economic system and what they have to do with the stock market—aren't taught in school. At a time when individuals have to make important decisions about saving for college and 401(k) retirement funds, this failure to provide a basic education in investing can have tragic consequences. For those who know what to look for, investment opportunities are everywhere. The average high school student is familiar with Nike, Reebok, McDonald's, the Gap, and The Body Shop. Nearly every teenager in America drinks Coke or Pepsi, but only a very few own shares in either company or even understand how to buy them. Every student studies American history, but few realize that our country was settled by European colonists financed by public companies in England and Holland-and the basic principles behind public companies haven't changed in more than three hundred years. In Learn to Earn, Lynch and Rothchild explain in a style accessible to anyone who is high school age or older how to read a stock table in the daily newspaper, how to understand a company annual report, and why everyone should pay attention to the stock market. They explain not only how to invest, but also how to think like an investor.

401k fix it guide: Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family-and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space-the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

401k fix it guide: Uninvested Bobby Monks, 2015-08-04 Bobby Monks is blowing the whistle on Wall Street, giving middle class Americans the low down on how they're being fleeced of their retirement money-and what they can do about it Every month our financial statements arrive, and every month we glance at them, trying to understand, hoping that we'll come out ahead. But most of us have no idea what's really going on or the costs involved. According to Bobby Monks-who has been a banker and borrower, investor and entrepreneur—financial firms and money managers have complicated the investing process to keep us in the dark, profiting from our ignorance. Having dealt with the financial sector throughout his career, Monks has seen it all. In Uninvested, he reveals how, when, and why the relationship between us and our money managers became corrupted—and what we can do to fix it. Monks shows how the system works not only against us as individuals but also against society at large. Without our knowledge or approval, our money is diverted into the pockets of CEOs and misappropriated, promoting business practices that contribute to economic inequality, political dysfunction, and environmental woe. Monks' experiences give him a unique perspective on how we got to this point. Drawing on original research and interviews with key figures such as Vanguard founder Jack Bogle, legendary investor Carl Icahn, and former congressman Barney Frank of the Dodd-Frank Act, Monks teaches us how to take back ownership and control of our money. As he writes: Even in the decades preceding the most recent downturn, very few investors enjoyed financial success equal to that of their money managers. Given this, I have long wondered why investors don't pull their money out of the system en masse. I suspect that it is because most feel powerless. Unaware of the implications of their investments and unable to penetrate the excruciating complexity of the system that facilitates them, many seem to seek refuge in their money managers' aura of sophistication, pretense of competence, and projection of certainty. It seems to me that most investors are simply sleepwalking through the investing process. They have become uninvested. When we outsource our investing, we sacrifice control—but not responsibility. My goal in writing this book is to convince you that the best (and only) way to fix this broken system is to awaken a critical mass of engaged investors and recruit them to participate more fully in the investing process.

**401k fix it guide:** The New Rules of Retirement Saving Martin H. Ruby, 2016-02-12 For any saver who's ever wondered Am I doing this right?, this book will give you the guidance and confidence to answer, Yes. Too many savers are operating under an old set of rules - rules that were created and tested decades ago for market conditions that no longer exist today. While most of us would never call someone on a rotary phone or drive a car without airbags, we still save with outdated strategies. The New Rules of Retirement Saving is your guidebook to the risks you face as a saver today... and the new rules you can use to overcome them. Martin Ruby, FSA, has made his career helping people like you save smarter. As founder and CEO of Stonewood Financial Solutions, he helps savers achieve both greater financial wealth and greater financial security. What makes his approach so successful? Martin is an actuary, a mathematics specialist focused on identifying, evaluating and eliminating risk. In founding Stonewood Financial Solutions, Martin realized his vision of delivering actuarial expertise to clients rather than financial institutions. He uses his insider knowledge of how insurance and financial products work to structure strategies that maximize benefits for savers. Now, Martin has used his insights and expertise to develop The New Rules of Retirement Saving. Reading this book will give you the knowledge of today's biggest savings risks and teach you to overcome them as you save for your future.

401k fix it guide: Work Your Money, Not Your Life Roger Ma, Jennifer Ma, 2020-03-31 Your all-in-one guide to getting your career and finances in order — for greater clarity, happiness, and peace of mind. Studies show that if you're like the majority of young professionals, you feel dissatisfied with your job, your finances, or your overall station in life. It can seem impossible to disentangle the work stuff, the money stuff, and the personal stuff, because they're all inextricably linked. But the good news is, you don't have to go at it alone: Work Your Money, Not Your Life is your all-in-one guide to achieving both your career and financial goals so that you can get where you want to be. In his debut book, Roger Ma, an award-winning financial planner and a publisher strategist at Google, offers secrets on how you can craft a meaningful career, gain financial comfort, and achieve a greater sense of purpose. And the premise behind it all is this: money affects every part of our lives. Simply by sorting out your personal finances (and it isn't as bad as it sounds!), you can build a foundation from which you'll be able to find the right career path, visualize your desired lifestyle, and turn your dreams into a reality. You'll learn how to: Relieve yourself of the work, money, and personal stressors that keep you up at night Dispel the job myths that are preventing you from a more rewarding career Apply the fundamentals of personal finance to your unique situation, without all the confusing jargon Prioritize and balance your career and money needs through exercises and easy-to-use templates, launching yourself on the path to the life satisfaction you desire When the life you're living and the life you want to live don't match up, everything feels off balance. Where do you begin trying to connect the dots? Start with this book. Through accessible, practical advice, you'll learn the career and financial strategies you need to live the life vou deserve.

401k fix it guide: The Ultimate Obama Survival Guide Wayne Allyn Root, 2013-04-15 DON'T GET MAD ABOUT OBAMAGEDDON...GET EVEN! Build your wealth.Protect your faith and family.Secure your freedom. Don't just survive Obama...learn how to outsmart his big-government, socialist system and thrive! Bad times are coming -- how will you protect your family, save enough for retirement, and turn your home into a fortress? In The Ultimate Obama Survival Guide, Wayne Allyn Root provides the answer. First, he explains step by step what Obama has planned. Then, Root presents Y-PODS: Your Personal Obama Defense Shields - a detailed 18 point plan to protect your assets, capitalize, and PROSPER as the rest of the country treads water - or drowns! And that's just the beginning. Wayne Allyn Root is a passionate Capitalist Evangelist, serial entrepreneur, and small businessman extraordinaire. He knows what it takes to weather any economic storm. You're going to need Root's expertise as you and your family tackle the biggest challenge facing Americans today: Barack Obama's second term in the White House. Root takes you on a tour of the practical, real-life ways you can fight back and WIN, not just at the ballot box, but in your bank account, retirement account, safety deposit box, on your tax forms, at your church, in your home, your schools, and at your doctor's office. The Ultimate Obama Survival Guide also features exclusive advice from 18 superstars of business and finance - millionaires, billionaires, and managers of billion dollar hedge funds, who provide their specific plans for investing in precious metals, real estate, stocks, bonds, ETFs and more. What one investment decision made in 1913 turned \$1,000,000 into \$87,000,000? What investment decision outperformed Warren Buffet by 300% since 2000? What investment have central bankers around the world bought more of in the past year, than in all the years since 1964 COMBINED? Root provides the answers - along with detailed advice on the smart investments now, the best places to move to escape Obama's poisonous taxes, the best way to educate your children, survival advice on how to turn your home into a fortress, how to survive if the economy collapses and unrest threatens your family. If you are worried about what Obama has in store (and you should be) then arm yourself with Root's step-by-step instructions to protect yourself and your family RIGHT NOW from the Obama invasion of every aspect of your life.

**401k fix it guide: How to Retire Rich** James P. O'Shaughnessy, 1999 Now in paperback--the groundbreaking investment guide by bestselling author James O'Shaughnessy that shows you the simple way to create the fully funded retirement you deserve. Even if you think you're in great financial shape and can afford two cars and several vacations a year, the numbers in your savings and retirement plan don't always add up to a wealthy--or financially secure--future. In How to Retire Rich, investment wizard James O'Shaughnessy uses his revolutionary analysis of the Standard & Poor's CompuStat Database and stock market history to identify exactly which strategies have consistently beaten almost all active stock pickers over the past four decades--and to show regular folks like you how to apply these proven formulas to your 401(k) and your savings plan, and, over time, grow as little as \$2,000 into more than \$4 million. By adopting O'Shaughnessy's logical, proven approach and by avoiding hunches, hot tips, and trendy advice from high-profile gurus, you, too, can master the basics of investing, dramatically increase your net worth, and fund the retirement of your dreams.
