a history of burning janika oza: Unsettled Ryan Hampton, 2021-10-05 A shocking inside account of reckless capitalism and injustice in the Purdue Pharma bankruptcy case. In September 2019, Purdue Pharma—the maker of OxyContin and a company controlled by the infamous billionaire Sackler family—filed for bankruptcy to protect itself from 2,600 lawsuits for its role in fueling the U.S. overdose crisis. Author and activist Ryan Hampton served as co-chair of the official creditors committee that acted as a watchdog during the process, one of only four victims appointed among representatives of big insurance companies, hospitals, and pharmacies. He entered the case believing that exposing the Sacklers and mobilizing against Purdue would be enough to right the scales of justice. But he soon learned that behind closed doors, justice had plenty of other competition—and it came with a hefty price tag. *Unsettled* is the inside story of Purdue's excruciating Chapter 11 bankruptcy proceedings, the company's eventual restructuring, and the Sackler family's evasion of any true accountability. It's also the untold story of how a group of determined ordinary people tried to see justice done against the odds—and in the face of brutal opposition from powerful institutions and even government representatives. Although America was envisioned as an equitable place, where the vulnerable are protected from the greed of the powerful, the corporate-bankruptcy process betrays those values. In its heart of hearts, this system is built to shield the ultra-wealthy, exploit loopholes for political power, promote gross wealth inequality, and allow companies such as Purdue Pharma to run amok. The real story of the Purdue bankruptcy wasn't that the billion-dollar corporation was a villain, a serial federal offender. No matter what the media said, Purdue didn't do this alone. They were aided and abetted by the very systems and institutions that were supposed to protect Americans. Even on-your-side elected officials worked against Purdue's victims—maintaining the status quo at all costs. Americans deserve to know exactly who is responsible for failing to protect people over profits—and what a human life is worth to corporations, billionaires, and lawmakers. *Unsettled* is what happened behind closed doors—the story of a sick, broken system that destroyed millions of lives and let the Sacklers off almost scot-free.

a history of burning janika oza: *The Boat People* Sharon Bala, 2018-01-09 *Globe and Mail* bestseller, *The Boat People* is an extraordinary novel about a group of refugees who survive a perilous ocean voyage only to face the threat of deportation amid accusations of terrorism When a rusty cargo ship carrying Mahindan and five hundred fellow refugees from Sri Lanka's bloody civil war reaches Vancouver's shores, the young father thinks he and his six-year-old son can finally start a new life. Instead, the group is thrown into a detention processing center, with government officials and news headlines speculating that among the boat people are members of a separatist militant organization responsible for countless suicide attacks—and that these terrorists now pose a threat to Canada's national security. As the refugees become subject to heavy interrogation, Mahindan begins to fear that a desperate act taken in Sri Lanka to fund their escape may now jeopardize his and his son's chance for asylum. Told through the alternating perspectives of Mahindan; his lawyer, Priya, a second-generation Sri Lankan Canadian who reluctantly represents the refugees; and Grace, a third-generation Japanese Canadian adjudicator who must decide Mahindan's fate as evidence mounts against him, *The Boat People* is a spellbinding and timely novel that provokes a deeply compassionate lens through which to view the current refugee crisis.

a history of burning janika oza: *A Hero of Our Time* Nabeh Ruthnum, 2022-01-11 A wry comic novel with an acerbic wit, *A Hero of Our Time* is a vicious takedown of superficial diversity initiatives and tech culture, with a beating heart of broken sincerity. Osman Shah is a pitstop on his white colleague Olivia Robinson's quest for corporate domination at AAP, an edutech startup determined to automate higher education. Osman, obsessed by Olivia's ability to successfully disguise ambition and self-interest as collectivist diversity politics, is bent on exposing her. Aided by his colleague turned comrade-in-arms Nena, who loathes and tolerates him in equal measure, Osman delves into

Olivia's twisted past. But at every turn, he's stymied by his unfailing gift for cruel observation, which he turns with most ferocity on himself, without ever noticing what it is that stops him from connecting to anyone in his past or present. As Osman loses his grip on his family, Nena, and everything he thought was essential to his identity, he confronts an enemy who may simply be too good at her job to be defeated. A Hero of Our Time cracks the veneer of well-intentioned race conversations in the West, dismantles cheery narratives of progress through tech and "streamlined" education, and exposes the venomous self-congratulation and devouring lust for wealth, power, and property that lurks beneath.

a history of burning janika oza: *The Sweetest Fruits* Monique Truong, 2019-09-03 From Monique Truong, winner of the John Dos Passos Prize for Literature, comes "a sublime, many-voiced novel of voyage and reinvention" (Anthony Marra) [Truong] imagines the extraordinary lives of three women who loved an extraordinary man [and] creates distinct, engaging voices for these women (Kirkus Reviews) A Greek woman tells of how she willed herself out of her father's cloistered house, married an Irish officer in the British Army, and came to Ireland with her two-year-old son in 1852, only to be forced to leave without him soon after. An African American woman, born into slavery on a Kentucky plantation, makes her way to Cincinnati after the Civil War to work as a boarding house cook, where in 1872 she meets and marries an up-and-coming newspaper reporter. In Matsue, Japan, in 1891, a former samurai's daughter is introduced to a newly arrived English teacher, and becomes the mother of his four children and his unsung literary collaborator. The lives of writers can often best be understood through the eyes of those who nurtured them and made their work possible. In *The Sweetest Fruits*, these three women tell the story of their time with Lafcadio Hearn, a globetrotting writer best known for his books about Meiji-era Japan. In their own unorthodox ways, these women are also intrepid travelers and explorers. Their accounts witness Hearn's remarkable life but also seek to witness their own existence and luminous will to live unbounded by gender, race, and the mores of their time. Each is a gifted storyteller with her own precise reason for sharing her story, and together their voices offer a revealing, often contradictory portrait of Hearn. With brilliant sensitivity and an unstinting eye, Truong illuminates the women's tenacity and their struggles in a novel that circumnavigates the globe in the search for love, family, home, and belonging.

a history of burning janika oza: *Names for Light* Thirri Myo Kyaw Myint, 2021-08-17 Winner of the Graywolf Press Nonfiction Prize, a lyrical meditation on family, place, and inheritance *Names for Light* traverses time and memory to weigh three generations of a family's history against a painful inheritance of postcolonial violence and racism. In spare, lyric paragraphs framed by white space, Thirri Myo Kyaw Myint explores home, belonging, and identity by revisiting the cities in which her parents and grandparents lived. As she makes inquiries into their stories, she intertwines oral narratives with the official and mythic histories of Myanmar. But while her family's stories move into the present, her own story—that of a writer seeking to understand who she is—moves into the past, until both converge at the end of the book. Born in Myanmar and raised in Bangkok and San Jose, Myint finds that she does not have typical memories of arriving in the United States; instead, she is haunted by what she cannot remember. By the silences lingering around what is spoken. By a chain of deaths in her family line, especially that of her older brother as a child. For Myint, absence is felt as strongly as presence. And, as she comes to understand, naming those absences, finding words for the unsaid, means discovering how those who have come before have shaped her life. *Names for Light* is a moving chronicle of the passage of time, of the long shadow of colonialism, and of a writer coming into her own as she reckons with her family's legacy.

a history of burning janika oza: *The Toss of a Lemon* Padma Viswanathan, 2009-09-01 A "superbly done" novel of a woman, her family, and a village in India that "makes a vanished world feel completely authentic" (Booklist). Sivakami was married at ten, widowed at eighteen, and left with two children. According to the dictates of her caste, her head is shaved and she puts on widow's whites. From dawn to dusk, she is not allowed to contaminate herself with human touch, not even to comfort her small children. Sivakami dutifully follows custom, except for one defiant act: She

moves back to her dead husband's house to raise her children. There, her servant Muchami, a closeted gay man who is bound by a different caste's rules, becomes her public face. Their singular relationship holds three generations of the family together through the turbulent first half of the twentieth century, as India endures great social and political change. But as time passes, the family changes, too; Sivakami's son will question the strictures of the very beliefs that his mother has scrupulously upheld. *The Toss of a Lemon* is heartbreaking and exhilarating, profoundly exotic yet utterly recognizable in evoking the tensions that change brings to every family.

a history of burning janika oza: *The Beautiful Ones* Prince, 2019-10-29 #1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of *Purple Rain* to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. *The Beautiful Ones* is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince's early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince's evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for *Purple Rain*—the final stage in Prince's self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to the book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image—his undying gift to the world.

a history of burning janika oza: *The Childhood of Jesus* J. M. Coetzee, 2013-03-07 This is an extraordinary new fable from one of the world's greatest living novelists, two-time Booker Prize winner and Nobel Laureate. David is a small boy who comes by boat across the ocean to a new country. He has been separated from his parents, and has lost the piece of paper that would have explained everything. On the boat a stranger named Simon takes it upon himself to look after the boy. On arrival they are assigned new names, new birthdates. They know little Spanish, the language of their new country, and nothing about its customs. They have also suffered a kind of forgetting of old attachments and feelings. They are people without a past. Simon's goal is to find the boy's mother. He feels sure he will know her when he sees her. And David? He wants to find his mother too but he also wants to understand where he is and how he fits in. He is a boy who is always asking questions. *The Childhood of Jesus* is not like any other novel you have read. This beautiful and surprising fable is about childhood, about destiny, about being an outsider. It is a novel about the riddle of experience itself. J.M. Coetzee was the first author to win the Booker Prize twice and

was awarded the Nobel Prize for Literature in 2003. His work includes *Waiting for the Barbarians*, *Life and Times of Michael K*, *The Master of Petersburg*, *Disgrace* and *Diary of a Bad Year*. He lives in Adelaide. 'Coetzee is a master we scarcely deserve.' *Age* 'Coetzee gradually, with great intelligence and skill, brings to extraordinary - possibly divine - life an ostensibly simple story.' *Weekend Australian* 'A theological and philosophical fable of considerable brilliance, power and wit. Coetzee hasn't done anything as fine and beautifully executed as this since *Disgrace*.' *Canberra Times* and *Age* '[A] quiet, haunting novel...Coetzee's calm, emblematic prose lifts the plot into something redolent with metaphor and mystery...Any statement can become a symbol; every event is suffused with potential revelation; something magical is always present and just out of reach...It's a memorable accomplishment, turning the everyday into the almost everlasting.' *Weekend Herald (NZ)* 'Double Booker Prize-winner Coetzee's fable has a dream-like, Kafkaesque quality. Are we in some kind of heaven, purgatory or simply another staging post of existence? Clear answers are elusive, but this is a riveting, thought-provoking read and surely Coetzee's best novel since *Disgrace* more than a decade ago.' *Daily Mail* 'Written with all of Coetzee's penetrating rigour, it will be an early contender for an unprecedented third Booker prize.' *Observer* 'The *Childhood of Jesus* represents a return to the allegorical mode that made him famous...a Kafkaesque version of the nativity story...The *Childhood of Jesus* does ample justice to his giant reputation: it's richly enigmatic, with regular flashes of Coetzee's piercing intelligence.' *Guardian* 'The sense of calm, furthered by Coetzee's spare prose, is very unsettling...These are not the horrors of *Waiting for the Barbarians*, this is the horror of banality.' *Independent on Sunday*

a history of burning janika oza: *Conditional Citizens* Laila Lalami, 2020-09-22 A New York Times Editors' Choice • Best Book of the Year: Time, NPR, Bookpage, L.A. Times What does it mean to be American? In this starkly illuminating and impassioned book, Pulitzer Prize-finalist Laila Lalami recounts her unlikely journey from Moroccan immigrant to U.S. citizen, using it as a starting point for her exploration of American rights, liberties, and protections. Sharp, bracingly clear essays.—Entertainment Weekly Tapping into history, politics, and literature, she elucidates how accidents of birth—such as national origin, race, and gender—that once determined the boundaries of Americanness still cast their shadows today. Lalami poignantly illustrates how white supremacy survives through adaptation and legislation, with the result that a caste system is maintained that keeps the modern equivalent of white male landowners at the top of the social hierarchy. Conditional citizens, she argues, are all the people with whom America embraces with one arm and pushes away with the other. Brilliantly argued and deeply personal, *Conditional Citizens* weaves together Lalami's own experiences with explorations of the place of nonwhites in the broader American culture.

a history of burning janika oza: Human Blues Elisa Albert, 2023-07-11 "Crackling and bighearted...A powerhouse [that] echoes with the truth that we find harmony when we listen first to ourselves." —Oprah Daily * "Takes off with magnificent speed and never lets up." —The New York Times * "Revolutionary." —NPR's Morning Edition * A Los Angeles Times and Publishers Weekly Best Book of the Year A provocative and "darkly funny" (Cosmopolitan) novel about a woman who desperately wants a child but struggles to accept the use of assisted reproductive technology—a "riotous, visceral" (Vanity Fair) send-up of feminism, fame, art, commerce, and autonomy. On the eve of her fourth album, singer-songwriter Aviva Rosner is plagued by infertility. The twist: as much as Aviva wants a child, she is wary of technological conception, and has poured her ambivalence into her music. As the album makes its way in the world, the shock of the response from fans and critics is at first exciting—and then invasive and strange. Aviva never wanted to be famous, or did she? Meanwhile, her evolving obsession with another iconic musician, gone too soon, might just help her make sense of things. Told over the course of nine menstrual cycles, this utterly original novel is a "fast, fiery, and often funny" (The Boston Globe) interrogation of our cultural obsession with childbearing. It's also the story of one fearless woman at the crossroads, ruthlessly questioning what she wants and what she's willing—or not willing—to do to get it.

a history of burning janika oza: The Other Americans Laila Lalami, 2019-03-26 ***2019 NATIONAL BOOK AWARD FINALIST*** Winner of the Arab American Book Award in Fiction Finalist for the Kirkus Prize in Fiction Finalist for the California Book Award Longlisted for the Aspen Words Literary Prize A Los Angeles Times bestseller Named a Best Book of the Year by The Washington Post, Time, NPR, Minneapolis Star Tribune, Dallas Morning News, The Guardian, Variety, and Kirkus Reviews Late one spring night in California, Driss Guerraoui—father, husband, business owner, Moroccan immigrant—is hit and killed by a speeding car. The aftermath of his death brings together a diverse cast of characters: Guerraoui's daughter Nora, a jazz composer returning to the small town in the Mojave she thought she'd left for good; her mother, Maryam, who still pines for her life in the old country; Efraín, an undocumented witness whose fear of deportation prevents him from coming forward; Jeremy, an old friend of Nora's and an Iraqi War veteran; Coleman, a detective who is slowly discovering her son's secrets; Anderson, a neighbor trying to reconnect with his family; and the murdered man himself. As the characters—deeply divided by race, religion, and class—tell their stories, each in their own voice, connections among them emerge. Driss's family confronts its secrets, a town faces its hypocrisies, and love—messy and unpredictable—is born. Timely, riveting, and unforgettable, *The Other Americans* is at once a family saga, a murder mystery, and a love story informed by the treacherous fault lines of American culture.

a history of burning janika oza: The Dancing Girls of Lahore Louise Brown, 2009-10-13 An unforgettable and compassionate look at the lives of the residents of Lahore's pleasure district *The Dancing Girls of Lahore* inhabit the Diamond District in the shadow of a great mosque. The 21st century goes on outside the walls, this ancient quarter, but scarcely registers within. Though their trade can be described with accuracy as prostitution, the dancing girls have an illustrious history:

beloved by sultans, their sophisticated art encompassed the best of Mughal culture. The modern day Bollywood aesthetic, with its love of gaudy spectacle, music, and dance, is their distant legacy. But the life of the pampered courtesan is not the one now being lived by Maha and her three girls. What they do is forbidden by Islam, though tolerated; but they are, unclean, and Maha's daughters, like her, are born into the business and will not leave it. Sociologist Louise Brown spent four years in the most intimate study of the family life of one Lahori courtesan. Beautifully understated, it turns a novelist's eye on a true story that beggars the imagination. Maha, at fourteen a classically trained dancer of exquisite grace, had her virginity sold to the Sultan of Dubai; when her own daughter Nena comes of age and Maha cannot bring in the money she once did, she faces a terrible decision as the agents of the Sultan come calling once more.

a history of burning janika oza: *Beast at Every Threshold* Natalie Wee, 2022-04-05 An unflinching shapeshifter, *Beast at Every Threshold* dances between familial hauntings and cultural histories, intimate hungers and broader griefs. Memories become malleable, pop culture provides a backdrop to glittery queer love, and folklore speaks back as a radical tool of survival. With unapologetic precision, Natalie Wee unravels constructs of “otherness” and names language our most familiar weapon, illuminating the intersections of queerness, diaspora, and loss with obsessive, inexhaustible ferocity—and in resurrecting the self rendered a site of violence, makes visible the “Beast at Every Threshold.” Beguiling and deeply imagined, Wee's poems explore thresholds of marginality, queerness, immigration, nationhood, and reinvention of the self through myth.

a history of burning janika oza: *The Man Who Could Move Clouds* Ingrid Rojas Contreras, 2023-07-11 PULITZER PRIZE FINALIST • NATIONAL BOOK AWARD FINALIST • From the bestselling author of *Fruit of the Drunken Tree*, comes a dazzling, kaleidoscopic memoir reclaiming her family's otherworldly legacy. A BEST BOOK OF THE YEAR: TIME, NPR, VULTURE, PEOPLE, BOSTON GLOBE, VANITY FAIR, ESQUIRE, & MORE “Rojas Contreras reacquaints herself with her family's past, weaving their stories with personal narrative, unraveling legacies of violence, machismo and colonialism... In the process, she has written a spellbinding and genre-defying ancestral history.”—New York Times Book Review For Ingrid Rojas Contreras, magic runs in the family. Raised amid the political violence of 1980s and '90s Colombia, in a house bustling with her mother's fortune-telling clients, she was a hard child to surprise. Her maternal grandfather, Nono, was a renowned curandero, a community healer gifted with what the family called “the secrets”: the power to talk to the dead, tell the future, treat the sick, and move the clouds. And as the first woman to inherit “the secrets,” Rojas Contreras' mother was just as powerful. Mami delighted in her ability to appear in two places at once, and she could cast out even the most persistent spirits with nothing more than a glass of water. This legacy had always felt like it belonged to her mother and grandfather, until, while living in the U.S. in her twenties, Rojas Contreras suffered a head injury that left her with amnesia. As she regained partial memory, her family was excited to tell her that this had happened before: Decades ago Mami had taken a fall that left her with amnesia, too. And when she recovered, she had gained access to “the secrets.” In 2012, spurred by a shared dream among Mami and her sisters, and her own powerful urge to relearn her family history in the aftermath of her memory loss, Rojas Contreras joins her mother on a journey to Colombia to disinter

Nono's remains. With Mami as her unpredictable, stubborn, and often amusing guide, Rojas Contreras traces her lineage back to her Indigenous and Spanish roots, uncovering the violent and rigid colonial narrative that would eventually break her mestizo family into two camps: those who believe "the secrets" are a gift, and those who are convinced they are a curse. Interweaving family stories more enchanting than those in any novel, resurrected Colombian history, and her own deeply personal reckonings with the bounds of reality, Rojas Contreras writes her way through the incomprehensible and into her inheritance. The result is a luminous testament to the power of storytelling as a healing art and an invitation to embrace the extraordinary.

a history of burning janika oza: The Women Could Fly Megan Giddings, 2022-08-09

Reminiscent of the works of Margaret Atwood, Shirley Jackson, and Octavia Butler, a biting social commentary from the acclaimed author of *Lakewood* that speaks to our times—a piercing dystopian novel about the unbreakable bond between a young woman and her mysterious mother, set in a world in which witches are real and single women are closely monitored. Josephine Thomas has heard every conceivable theory about her mother's disappearance. That she was kidnapped. Murdered. That she took on a new identity to start a new family. That she was a witch. This is the most worrying charge because in a world where witches are real, peculiar behavior raises suspicions and a woman—especially a Black woman—can find herself on trial for witchcraft. But fourteen years have passed since her mother's disappearance, and now Jo is finally ready to let go of the past. Yet her future is in doubt. The State mandates that all women marry by the age of 30—or enroll in a registry that allows them to be monitored, effectively forfeiting their autonomy. At 28, Jo is ambivalent about marriage. With her ability to control her life on the line, she feels as if she has never understood her mother more. When she's offered the opportunity to honor one last request from her mother's will, Jo leaves her regular life to feel connected to her one last time. In this powerful and timely novel, Megan Giddings explores the limits women face—and the powers they have to transgress and transcend them.

a history of burning janika oza: *A House Is a Body* Shruti Swamy, 2020-08-11 Finalist for the 2021 PEN/Robert W. Bingham Prize for Debut Short Story Collection Finalist for the Los Angeles Times Art Seidenbaum Award for First Fiction "A House Is a Body will not simply be talked about as one of the greatest short story collections of the 2020s; it will change the way all stories—short and long—are told, written, and consumed. There is nothing, no emotion, no tiny morsel of memory, no touch, that this book does not take seriously. Yet, A House Is a Body might be the most fun I've ever had in a short story collection." —Kiese Laymon, author of *Heavy* Dreams collide with reality, modernity with antiquity, and myth with identity in the twelve arresting stories of *A House Is a Body*. Set in the United States and India, Swamy's characters grapple with motherhood, relationships, and their bodies to reveal small but intense internal moments of beauty, pain, and power that contain the world. In "Earthly Pleasures," a young painter living alone in San Francisco begins a secret romance with one of India's biggest celebrities, and desire and ego are laid bare. In "A Simple Composition," a husband's professional crisis leads to his wife's discovery of a dark, ecstatic joy. And in the title story, an exhausted mother watches, hypnotized by fear, as a California wildfire approaches her home. Immersive and assured, provocative and probing, these are stories written with the edge and precision of a knife blade. *A House Is a Body* introduces a bold and original voice in fiction, from a writer at the start of a stellar career. Don't miss Shruti Swamy's debut novel, *The Archer* (available September 7, 2021), which has already been longlisted for the Center for Fiction First Novel Prize.

a history of burning janika oza: *Girls That Never Die* Safia Elhillo, 2022-07-12 Intimate poems that explore feminine shame and violence and imagine what liberation from these threats might look like, from the award-winning author of *The January Children* "Endlessly compelling . . . a book that gives us courage, despite all the despairing records of history." —Ilya Kaminsky, author of *Dancing in Odessa* and *Deaf Republic* In *Girls That Never Die*, award-winning poet Safia Elhillo reinvents the epic to explore Muslim girlhood and shame, the dangers of being a woman, and the myriad violences enacted and imagined against women's bodies. Drawing from her own life and family histories, as well as cultural myths and news stories about honor killings and genital mutilation, she interlaces the everyday traumas of growing up a girl under patriarchy with magical realist imaginings of rebellion, autonomy, and power. Elhillo writes a new world: women escape their stonings by birds that carry the rocks away; slain girls grow into two, like the hydra of lore, sprouting too numerous to ever be eradicated; circles of women are deemed holy, protected. Ultimately, *Girls That Never Die* is about wrestling ourselves from the threats of violence that constrain our lives, and instead looking to freedom and questioning: [what if i will not die] [what will govern me then]

a history of burning janika oza: *The Best of Everything* Rona Jaffe, 2023-03-14 Sixty years later, Jaffe's classic still strikes a chord, this time eerily prescient regarding so many of the circumstances surrounding sexual harassment that paved the way toward the #MeToo movement. -Buzzfeed When Rona Jaffe's superb page-turner was first published in 1958, it changed contemporary fiction forever. Some readers were shocked, but millions more were electrified when they saw themselves reflected in its story of five young employees of a New York publishing company. Almost sixty years later, *The Best of Everything* remains touchingly—and sometimes hilariously—true to the personal and professional struggles women face in the city. There's Ivy League Caroline, who dreams of graduating from the typing pool to an editor's office; naïve country

girl April, who within months of hitting town reinvents herself as the woman every man wants on his arm; and Gregg, the free-spirited actress with a secret yearning for domesticity. Jaffe follows their adventures with intelligence, sympathy, and prose as sharp as a paper cut.

Aue can be heard in the sound of the sea he loves and hates, and in the music he draws out of the guitar that was his dad's. But Taukiri's brother, Arama, is braver than he looks. He has a friend, and his friend has a dog. And the three of them together might just be strong enough to turn back the tide of sadness.

a history of burning janika oza: *An Island* Karen Jennings, 2022-05-17 NEW YORK TIMES EDITORS' CHOICE • LONGLISTED FOR THE BOOKER PRIZE • A "beautifully and sparingly constructed" (The New York Times) novel about a lighthouse keeper with a mysterious past, and the stranger who washes up on his shores—*An Island* is the American debut of a major voice in world literature. "An Island by Karen Jennings is quite simply a revelation—a ferocious, swift chess game of a novel."—Paul Yoon, author of *Run Me to Earth* Samuel has lived alone on an island off the coast of an unnamed African country for more than two decades. He tends to his garden, his lighthouse, and his chickens, content with a solitary life. Routinely, the nameless bodies of refugees wash ashore, but Samuel—who understands that the government only values certain lives, certain deaths—always buries them himself. One day, though, he finds that one of these bodies is still breathing. As he nurses the stranger back to life, Samuel—feeling strangely threatened—is soon swept up in memories of his former life as a political prisoner on the mainland. This was a life that saw his country exploited under colonial rule, followed by a period of revolution and a brief, hard-won independence—only for the cycle of suffering to continue under a cruel dictator. And he can't help but recall his own shameful role in that history. In this stranger's presence, he begins to consider, as he did in his youth: What does it mean to own land, or to belong to it? And what does it cost to have, and lose, a home? A timeless and gripping portrait of regret, terror, and the extraordinary stakes of companionship, *An Island* is a story as page-turning as it is profound.

a history of burning janika oza: Brother David Chariandy, 2018-07-31 A brilliant, powerful elegy from a living brother to a lost one, yet pulsing with rhythm, and beating with life. --Marlon James Highly recommend *Brother* by David Chariandy--concise and intense, elegiac short novel of devastation and hope. --Joyce Carol Oates, via Twitter WINNER--Toronto Book Award WINNER--Rogers' Writers' Trust Fiction Prize WINNER--Ethel Wilson Prize for Fiction In luminous, incisive prose, a startling new literary talent explores masculinity, race, and sexuality against a backdrop of simmering violence during the summer of 1991. One sweltering summer in the Park, a housing complex outside of Toronto, Michael and Francis are coming of age and learning to stomach the careless prejudices and low expectations that confront them as young men of black and brown ancestry. While their Trinidadian single mother works double, sometimes triple shifts so her boys might fulfill the elusive promise of their adopted home, Francis helps the days pass by inventing games and challenges, bringing Michael to his crew's barbershop hangout, and leading escapes into the cool air of the Rouge Valley, a scar of green wilderness where they are free to imagine better lives for themselves. Propelled by the beats and styles of hip hop, Francis dreams of a future in music. Michael's dreams are of Aisha, the smartest girl in their high school whose own eyes are firmly set on a life elsewhere. But the bright hopes of all three are violently, irrevocably thwarted by a tragic shooting, and the police crackdown and suffocating suspicion that follow. Honest and insightful in its portrayal of kinship, community, and lives cut short, David Chariandy's *Brother* is an emotional tour de force that marks the arrival of a stunning new literary voice.
