a poem about black history: African American Poetry: 250 Years of Struggle & Song (LOA #333) Kevin Young, 2020-10-20 A literary landmark: the biggest, most ambitious anthology of Black poetry ever published, gathering 250 poets from the colonial period to the present Across a turbulent history, from such vital centers as Harlem, Chicago, Washington, D.C., Los Angeles, and the Bay Area, Black poets created a rich and multifaceted tradition that has been both a reckoning with American realities and an imaginative response to them. Capturing the power and beauty of this diverse tradition in a single indispensable volume, African American Poetry reveals as never before its centrality and its challenge to American poetry and culture. One of the great American art forms, African American poetry encompasses many kinds of verse: formal, experimental, vernacular, lyric, and protest. The anthology opens with moving testaments to the power of poetry as a means of

self-assertion, as enslaved people like Phillis Wheatley and George Moses Horton and activist Frances Ellen Watkins Harper voice their passionate resistance to slavery. Young's fresh, revelatory presentation of the Harlem Renaissance reexamines the achievements of Langston Hughes and Countee Cullen alongside works by lesser-known poets such as Gwendolyn B. Bennett and Mae V. Cowdery. The later flowering of the still influential Black Arts Movement is represented here with breadth and originality, including many long out-of-print or hard-to-find poems. Here are all the significant movements and currents: the nineteenth-century Francophone poets known as Les Cénelles, the Chicago Renaissance that flourished around Gwendolyn Brooks, the early 1960s Umbra group, and the more recent work of writers affiliated with Cave Canem and the Dark Room Collective. Here too are poems of singular, hard-to-classify figures: the enslaved potter David Drake, the allusive modernist Melvin B. Tolson, the Cleveland-based experimentalist Russell Atkins. This Library of America volume also features biographies of each poet and notes that illuminate cultural references and allusions to historical events.

a poem about black history: Black Nature Camille T. Dungy, 2009 Black Nature is the first anthology to focus on nature writing by African American poets, a genre that until now has not commonly been counted as one in which African American poets have participated. Black poets have a long tradition of incorporating treatments of the natural world into their work, but it is often read as political, historical, or protest poetry--anything but nature poetry. This is particularly true when the definition of what constitutes nature writing is limited to work about the pastoral or the wild. Camille T. Dungy has selected 180 poems from 93 poets that provide unique perspectives on American social and literary history to broaden our concept of nature poetry and African American poetics. This collection features major writers such as Phillis Wheatley, Rita Dove, Yusef Komunyakaa, Gwendolyn Brooks, Sterling Brown, Robert Hayden, Wanda Coleman, Natasha Trethewey, and Melvin B. Tolson as well as newer talents such as Douglas Kearney, Major Jackson, and Janice Harrington. Included are poets writing out of slavery, Reconstruction, the Harlem Renaissance, the Black Arts Movement, and late twentieth- and early twenty-first-century African American poetic movements. Black Nature brings to the fore a neglected and vital means of considering poetry by African Americans and nature-related poetry as a whole. A Friends Fund Publication.

a poem about black history: *Jazz Griots* Jean-Philippe Marcoux, 2012-06-27 This study is about how four representative African American poets in the 1960s, Langston Hughes, Umbra's David Henderson, and the Black Arts Movement's Sonia Sanchez, and Amiri Baraka engage, in the tradition of African griots, in poetic dialogues with aesthetics, music, politics, and Black History, and in so doing narrate, using jazz as meta-language, genealogies, etymologies, cultural legacies, and Black (hi)stories. In intersecting and complementary ways, Hughes, Henderson, Sanchez, and Baraka fashioned their griotism from theorizations of artistry as political engagement, and, in turn, formulated a Black aesthetic based on jazz performativity --a series of jazz-infused iterations that form a complex pattern of literary, musical, historical, and political moments in constant cross-fertilizing dialogues with one another. This form of poetic call-and-response is essential for it allows the possibility of intergenerational dialogues between poets and musicians as well as dialogical potential between song and politics, between Africa and Black America, within the poems.

More importantly, these jazz dialogisms underline the construction of the Black Aesthetic as conceptualized respectively by the griotism of Hughes, of Henderson, and of Sanchez and Baraka.

a poem about black history: *Being Brought from Africa to America - The Best of Phillis Wheatley* Phillis Wheatley, 2020-07-31 Phillis Wheatley (c. 1753-1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into a slavery in West Africa at the age of around seven, she was taken to North America where she served the Wheatley family of Boston. Phillis was tutored in reading and writing by Mary, the Wheatleys' 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote *To the University of Cambridge* when she was 14 and by 20 had found patronage in the form of Selina Hastings, Countess of Huntingdon. Her works garnered acclaim in both England and the colonies and she became the first African American to make a living as a poet. This volume contains a collection of Wheatley's best poetry, including the titular poem "Being Brought from Africa to America". Contents include: "Phillis Wheatley", "Phillis Wheatley by Benjamin Brawley", "To Maecenas", "On Virtue", "To the University of Cambridge", "To the King's Most Excellent Majesty", "On Being Brought from Africa to America", "On the Death of the Rev. a poem about black history: *Magical Negro* Morgan Parker, 2019-02-05 A National Book Critics Circle Poetry Award Winner! From the breakout author of *There Are More Beautiful Things Than Beyoncé* comes a profound and deceptively funny exploration of Black American womanhood. Morgan Parker's latest collection is a riveting testimony to everyday blackness . . . It is wry and

atmospheric, an epic work of aural pleasures and personifications that demands to be read—both as an account of a private life and as searing political protest. —TIME Magazine A Best Book of 2019 at TIME, Elle, BuzzFeed, the Star Tribune, AVClub, and more. A Most Anticipated Book of 2019 at Vogue, O: the Oprah Magazine, NYLON, BuzzFeed, Publishers Weekly, and more. *Magical Negro* is an archive of black everydayness, a catalog of contemporary folk heroes, an ethnography of ancestral grief, and an inventory of figureheads, idioms, and customs. These American poems are both elegy and jive, joke and declaration, songs of congregation and self-conception. They connect themes of loneliness, displacement, grief, ancestral trauma, and objectification, while exploring and troubling tropes and stereotypes of Black Americans. Focused primarily on depictions of black womanhood alongside personal narratives, the collection tackles interior and exterior politics—of both the body and society, of both the individual and the collective experience. In *Magical Negro*, Parker creates a space of witness, of airing grievances, of pointing out patterns. In these poems are living documents, pleas, latent traumas, inside jokes, and unspoken anxieties situated as firmly in the past as in the present—timeless black melancholies and triumphs.

a poem about black history: *And Still I Rise* Maya Angelou, 2011-08-17 Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

a poem about black history: *The Black Maria* Aracelis Girmay, 2016-04-18 Taking its name from the moon's dark plains, misidentified as seas by early astronomers, *The Black Maria* investigates African diasporic histories, the consequences of racism within American culture, and the question of human identity. Central to this project is a desire to recognize the lives of Eritrean refugees who have been made invisible by years of immigration crisis, refugee status, exile, and resulting statelessness. The recipient of a 2015 Whiting Award for Poetry, Girmay's newest collection elegizes and celebrates life, while wrestling with the humanistic notion of seeing beyond: seeing violence, seeing grace, and seeing each other better. to the sea great storage house, history on which we rode, we touched the brief pulse of your fluttering pages, spelled with salt & life, your rage, your indifference your gentleness washing our feet, all of you going on whether or not we live, to you we bring our carnations yellow & pink, how they float like bright sentences atop your memory's dark hair Aracelis Girmay is the author of two poetry collections, *Teeth* and *Kingdom Animalia*, which won the Isabella Gardner Award and was a finalist for the NBCC Award. The recipient of a 2015 Whiting Award, she has received grants and fellowships from the Jerome, Cave Canem, and Watson foundations, as well as Civitella Ranieri and the NEA. a poem about black history: Bunk Kevin Young, 2017-11-14 Longlisted for the National Book Award for Nonfiction "There Kevin Young goes again, giving us books we greatly need, cleverly disguised as books we merely want. Unexpectedly essential." —Marlon James Award-winning poet and critic Kevin Young tours us through a rogue's gallery of hoaxers, plagiarists, forgers, and fakers—from the humbug of P. T. Barnum and Edgar Allan Poe to the unrepentant bunk of JT LeRoy and Donald J. Trump. Bunk traces the history of the hoax as a peculiarly American phenomenon, examining what motivates hucksters and makes the rest of us so gullible. Disturbingly, Young finds that fakery is woven from stereotype and suspicion, race being the most insidious American hoax of all. He chronicles how Barnum came to fame by displaying figures like Joice Heth, a black woman whom he pretended was the 161-year-old nursemaid to George Washington, and What Is It?, an African American man Barnum professed was a newly discovered missing link in evolution. Bunk then turns to the hoaxing of history and the ways that forgers, plagiarists, and journalistic fakers invent backstories and falsehoods to sell us lies about themselves and about the world in our own time, from pretend Native Americans Grey Owl and Nasdijj to the deadly imposture of Clark Rockefeller, from the made-up memoirs of James Frey to the identity theft of Rachel Dolezal. In this brilliant and timely work, Young asks what it means to live in a post-factual world of "truthiness" where everything is up for interpretation and everyone is subject to a pervasive cynicism that damages our ideas of reality, fact, and art.

a poem about black history: How the Word Is Passed Clint Smith, 2021-06-01 This "important and timely" (Drew Faust, Harvard Magazine) #1 New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more

than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be. Winner of the National Book Critics Circle Award for Nonfiction Winner of the Stowe Prize Winner of 2022 Hillman Prize for Book Journalism A New York Times 10 Best Books of 2021

a poem about black history: Counting Descent Clint Smith, 2020-01-06 From the author of *How the Word is Passed: A Reckoning with the History of Slavery Across America* * Winner, 2017 Black Caucus of the American Library Association Literary Award * Finalist, 2017 NAACP Image Awards * One Book One New Orleans 2017 Book Selection * Published in *The New Yorker*, *The New York Times Magazine*, *Poetry Magazine*, *The Paris Review*, *New Republic*, *Boston Review*, *The Guardian*, *The Rumpus*, and *The Academy of American Poets* So many of these poems just blow me away. Incredibly beautiful and powerful. -- Michelle Alexander, Author of *The New Jim Crow* *Counting Descent* is a tightly-woven collection of poems whose pages act like an invitation. The invitation is intimate and generous and also a challenge; are you up to asking what is blackness? What is black joy? How is black life loved and lived? To whom do we look to for answers? This invitation is not to a narrow street, or a shallow lake, but to a vast exploration of life. And you're invited. -- Elizabeth Acevedo, Author of *Beastgirl & Other Origin Myths* These poems shimmer with revelatory intensity, approaching us from all sides to immerse us in the America that America so often forgets. -- Gregory Pardlo *Counting Descent* is more than brilliant. More than lyrical. More than bluesy. More than courageous. It is terrifying in its ability to at once not hide and show readers why it wants to hide so badly. These poems mend, meld and imagine with weighted details, pauses, idiosyncrasies and word patterns I've never seen before. -- Kiese Laymon, Author of *Long Division* Clint Smith's debut poetry collection, *Counting Descent*, is a coming of age story that seeks to complicate our conception of lineage and tradition. Do you know what it means for your existence to be defined by someone else's intentions? Smith explores the cognitive dissonance that results from belonging to a community that unapologetically celebrates black humanity while living in a world that often renders blackness a caricature of fear. His poems move fluidly across personal and political histories, all the while reflecting on the social construction of our lived experiences. Smith brings the reader on a powerful journey forcing us to reflect on all that we learn growing up, and all that we seek to unlearn moving forward.

a poem about black history: *The Tradition* Jericho Brown, 2019-06-18 WINNER OF THE 2020 PULITZER PRIZE FOR POETRY Finalist for the 2019 National Book Award 100 Notable Books of the Year, The New York Times Book Review One Book, One Philadelphia Citywide Reading Program Selection, 2021 By some literary magic—no, it's precision, and honesty—Brown manages to bestow upon even the most public of subjects the most intimate and personal stakes.—Craig Morgan Teicher, "I Reject Walls': A 2019 Poetry Preview" for NPR "A relentless dismantling of identity, a difficult jewel of a poem."—Rita Dove, in her introduction to Jericho Brown's "Dark" (featured in the New York Times Magazine in January 2019) "Winner of a Whiting Award and a Guggenheim Fellowship, Brown's hard-won lyricism finds fire (and idyll) in the intersection of politics and love for queer Black men."—O, The Oprah Magazine Named a Lit Hub "Most Anticipated Book of 2019" One of BuzzFeed's "66 Books Coming in 2019 You'll Want to Keep Your Eyes On" The Rumpus poetry pick for "What to Read When 2019 is Just Around the Corner" One of BookRiot's "50 Must-Read Poetry Collections of 2019" Jericho Brown's daring new book *The Tradition* details the normalization of evil and its history at the intersection of the past and the personal. Brown's poetic concerns are both broad and intimate, and at their very core a distillation of the incredibly human: What is safety? Who is this nation? Where does freedom truly lie? Brown makes mythical pastorals to question the terrors to which we've become accustomed, and to celebrate how we survive. Poems of fatherhood, legacy, blackness, queerness, worship, and trauma are propelled into stunning clarity by Brown's mastery, and his invention of the duplex—a combination of the sonnet, the ghazal, and the blues—is testament to his formal skill. *The Tradition* is a cutting and necessary collection, relentless in its quest for survival while reveling in a celebration of contradiction.

a poem about black history: *Stepmotherland* Darrel Alejandro Holnes, 2022-02-01

Stepmotherland is a tour-de-force debut collection about coming of age, coming out, and coming to America. Winner of the Andrés Montoya Poetry Prize, *Stepmotherland*, Darrel Alejandro Holnes's first full-length collection, is filled with poems that chronicle and question identity, family, and allegiance. This Central American love song is in constant motion as it takes us on a lyrical and sometimes narrative journey from Panamá to the USA and beyond. The driving force behind Holnes's work is a pursuit for a new home, and as he searches, he takes the reader on a wild ride through the most pressing political issues of our time and the most intimate and transformative personal experiences of his life. Exploring a complex range of emotions, this collection is a celebration of the discovery of America, the discovery of self, and the ways they may be one and the same. Holnes's poems experiment with macaronic language, literary forms, and prosody. In their inventiveness, they create a new tradition that blurs the borders between poetry, visual art, and dramatic text. The new legacy he creates is one with significant reverence for the past, which informs a central desire of immigrants and native-born citizens alike: the desire for a better life. *Stepmotherland* documents an artist's evolution into manhood and heralds the arrival of a stunning new poetic voice.

a poem about black history: *Mutiny* Phillip B. Williams, 2021-09-07 Winner of the 2022

American Book Award Finalist for the PEN/Voelcker Award for Poetry Longlisted for the PEN/Jean Stein Book Award Finalist for Publishing Triangle's Thom Gunn Award for Gay Poetry Named one of the Best Books of 2021 by The Boston Globe and Lit Hub From the critically acclaimed author of *Thief in the Interior* who writes with a lucid, unmitigated humanity (Boston Review), a startling new collection about revolt and renewal *Mutiny: a rebellion, a subversion, an onslaught*. In poems that rebuke classical mythos and western canonical figures, and embrace Afro-Diasporanfolk and spiritual imagery, Phillip B. Williams conjures the hell of being erased, exploited, and ill-imagined and then, through a force and generosity of vision, propels himself into life, selfhood, and a path forward. Intimate, bold, and sonically mesmerizing, *Mutiny* addresses loneliness, desire, doubt, memory, and the borderline between beauty and tragedy. With a ferocity that belies the tenderness and vulnerability at the heart of this remarkable collection, Williams honors the transformative power of anger, and the clarity that comes from allowing that anger to burn clean.

a poem about black history: *Until I Am Free* Keisha N. Blain, 2021-10-05 National Book Critics Circle 2021 Biography Finalist 53rd NAACP Image Award Nominee: Outstanding Literary Work - Biography/Autobiography "[A] riveting and timely exploration of Hamer's life. . . . Brilliantly constructed to be both forward and backward looking, Blain's book functions simultaneously as a much needed history lesson and an indispensable guide for modern activists."—New York Times Book Review Ms. Magazine "Most Anticipated Reads for the Rest of Us - 2021" · KIRKUS STARRED REVIEW · BOOKLIST STARRED REVIEW · Publishers Weekly Big Indie Books of Fall 2021 Explores the Black activist's ideas and political strategies, highlighting their relevance for tackling modern social issues including voter suppression, police violence, and economic inequality. "We have a long fight and this fight is not mine alone, but you are not free whether you are white or black, until I am free." —Fannie Lou Hamer A blend of social commentary, biography, and intellectual history, *Until I Am Free* is a manifesto for anyone committed to social justice. The book challenges us to listen to a working-poor and disabled Black woman activist and intellectual of the civil rights movement as we grapple with contemporary concerns around race, inequality, and social justice. Award-winning historian and New York Times best-selling author Keisha N. Blain situates Fannie Lou Hamer as a key political thinker alongside leaders such as Martin Luther King Jr., Malcolm X, and Rosa Parks and demonstrates how her ideas remain salient for a new generation of activists committed to dismantling systems of oppression in the United States and across the globe. Despite her limited material resources and the myriad challenges she endured as a Black woman living in poverty in Mississippi, Hamer committed herself to making a difference in the lives of others. She refused to be sidelined in the movement and refused to be intimidated by those of higher social status and with better jobs and education. In these pages, Hamer's words and ideas take center stage, allowing us all to hear the activist's voice and deeply engage her words, as though we had the privilege to sit right beside her. More than 40 years since Hamer's death in 1977, her words still speak truth to power, laying bare the faults in American society and offering valuable insights on how we might yet continue the fight to help the nation live up to its core ideals of "equality and justice for all." Includes a photo insert featuring Hamer at civil rights marches, participating in the Democratic National Convention, testifying before Congress, and more.

a poem about black history: *The Fat Black Woman's Poems* Grace Nichols, 2023-06-13 Beauty is a fat black woman walking the fields pressing a breezed hibiscus to her cheek while the sun lights

up her feet Nichols gives us images that stare us straight in the eye, images of joy, challenge, accusation. Her 'fat black woman' is brash; rejoices in herself; poses awkward questions to politicians, rulers, suitors, to a white world that still turns its back. Grace Nichols writes in a language that is wonderfully vivid yet economical of the pleasures and sadnesses of memory, of loving, of 'the power to be what I am, a woman, charting my own futures'.

a poem about black history: *Incendiary Art* Patricia Smith, 2017-02-15 Winner, 2017 Los Angeles Times Book Prize Finalist, 2018 Pulitzer Prize for Poetry Winner, NAACP Image Award for Outstanding Literary Work in the Poetry category Winner, 2018 Kingsley Tufts Poetry Award Winner, 2018 BCALA Best Poetry Award Winner, Abel Meeropol Award for Social Justice Finalist, Neustadt International Prize for Literature Winner, 2021 Ruth Lilly Poetry Prize One of the most magnetic and esteemed poets in today's literary landscape, Patricia Smith fearlessly confronts the tyranny against the black male body and the tenacious grief of mothers in her compelling new collection, *Incendiary Art*. She writes an exhaustive lament for mothers of the dark magicians, and revisits the devastating murder of Emmett Till. These dynamic sequences serve as a backdrop for present-day racial calamities and calls for resistance. Smith embraces elaborate and eloquent language— her gorgeous fallen son a horrid hidden / rot. Her tiny hand starts crushing roses—one by one / by one she wrecks the casket's spray. It's how she / mourns—a mother, still, despite the roar of thorns— as she sharpens her unerring focus on incidents of national mayhem and mourning. Smith envisions, reenvisions, and ultimately reinvents the role of witness with an incendiary fusion of forms, including prose poems, ghazals, sestinas, and sonnets. With poems impossible to turn away from, one of America's most electrifying writers reveals what is frightening, and what is revelatory, about history.
