911 lone star episode guide: Cerebral Palsy Freeman Miller, Steven J. Bachrach, 2006-05-08 When a child has a health problem, parents want answers. But when a child has cerebral palsy, the answers don't come quickly. Thoroughly updated and revised to incorporate the latest medical advances, the second edition is a comprehensive guide to cerebral palsy. The book is organized into three parts. In the first, the authors describe specific patterns of involvement (hemiplegia, diplegia, quadriplegia), explain the medical and psychosocial implications of these conditions, and tell parents how to be effective advocates for their child. In the second part, the authors provide a wealth of practical advice about caregiving from nutrition to mobility. Part three features an extensive alphabetically arranged encyclopedia that defines and describes medical terms and diagnoses, medical and surgical procedures, and orthopedic and other assistive devices. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

911 lone star episode guide: License to Pawn Rick Harrison, 2011-06-07 In Las Vegas, there's a family-owned business called the Gold & Silver Pawn Shop, run by three generations of the Harrison family: Rick; his son, Big Hoss; and Rick's dad, the Old Man. Now License to Pawn takes readers behind the scenes of the hit History show Pawn Stars and shares the fascinating life story of its star, Rick Harrison, and the equally intriguing story behind the shop, the customers, and the items for sale. Rick hasn't had it easy. He was a math whiz at an early age, but developed a similarly uncanny ability to find ever-deepening trouble that nearly ruined his life. With the birth of his son, he sobered up, reconnected with his dad, and they started their booming business together. License to Pawn also offers an entertaining walk through the pawn shop's history. It's a captivating look into how the Gold & Silver works, with incredible stories about the crazy customers and the one-of-a-kind items that the shop sells. Rick isn't only a businessman; he's also a historian and keen observer of human nature. For instance, did you know that pimps wear lots of jewelry for a reason? It's because if they're arrested, jewelry doesn't get confiscated like cash does, and ready money will be available for bail. Or that WWII bomber jackets and Zippo lighters can sell for a freakishly high price in Japan? Have you ever heard that the makers of Ormolu clocks, which Rick sells for as much as \$15,000 apiece, frequently died before forty thanks to the mercury in the paint? Rick also reveals the items he loves so much he'll never sell. The shop has three Olympic bronze medals, a Patriots Super Bowl ring, a Samurai sword from 1490, and an original Iwo Jima battle plan. Each object has an incredible story behind it, of course. Rick shares them all, and so much more -- there's an irresistible treasure trove of history behind both the Gold & Silver Pawn Shop and the life of Rick Harrison.

Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors' signal. Now he's been returned to the United States with a covert mission: to kill a candidate running for US president . . . This "shocking, tense" and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). The *Columbo Phile* offers fascinating behind-the-scenes information about the creation of the character, the writing of the devious mystery plots, and the altercations between perfectionist Peter Falk and the bottom-line concerns of Universal Studios. Originally published in 1989 and long out-of-print, this 30th Anniversary Edition of the essential Columbo book features a new preface by author Mark Dawidziak, an overview of post-1989 Columbo developments, including the twenty-four new ABC mysteries, and a personal remembrance of Peter Falk. 911 lone star episode guide: Light as a Feather Zoe Aarsen, 2018-10-09 Look out for the original series—starring Peyton List, Brent Rivera, Liana Liberato, Ajiona Alexus, and Dylan Sprayberry—now streaming on Hulu! Riverdale meets Final Destination in this fast-paced and deliciously creepy novel about an innocent game that turns deadly at a high school sleepover. It was supposed to be a game... Junior year is shaping up to be the best of McKenna Brady's life. After a transformative summer, McKenna is welcomed into the elite group of popular girls at Weeping Willow High, led by the gorgeous Olivia Richmond. For the first time in a long time, things are looking up. But everything changes the night of Olivia's Sweet Sixteen sleepover. Violet, the mysterious new girl in town, suggests the girls play a game during which Violet makes up elaborate, creepily specific stories about the violent ways the friends will die. Though it unsettles McKenna, it all seems harmless at the time. Until a week later, when Olivia dies...exactly as Violet predicted. As Violet rises to popularity and steps into the life Olivia left unfinished, McKenna becomes convinced Olivia's death wasn't just a coincidence, especially when a ghost haunting her bedroom keeps leaving clues that point to Violet. With the help of her cute neighbor, Trey, McKenna pledges to get to the bottom of Violet's secrets and true intentions before it's too late. Because it's only a matter of time before more lives are lost.

911 lone star episode guide: Cold Hard Truth Kevin O'Leary, 2011-09-27 Kevin O'Leary shares invaluable secrets on entrepreneurship, business, money and life. If you want to be a successful entrepreneur and amass wealth, you're going to have to work for it. But the good news is: with the right guidance, focus and perseverance, you can turn entrepreneurial vision into lucrative reality and have the personal freedom that only wealth can buy. Kevin O'Leary would know. The much-feared and revered Dragon on the immensely popular show *Dragons' Den* (and *Shark Tank* in the U.S.) started his company in his basement with a \$10,000 loan from his financially savvy mother. A few years later, Kevin sold that company for more than four billion dollars. In this compelling, candid and, above all else, brutally honest business memoir, Kevin provides engaging, practical advice and lessons that will give anyone a distinct competitive edge.
