H1: On-Field Dominance: The Statistical Case for Greatness

The 1985 Chicago Bears achieved a regular season record of 15-1, a testament to their overwhelming talent and coaching prowess. This wasn't merely a case of winning games; it was about how they won. Their defense, famously dubbed the "46 Defense" by their innovative coach, Buddy Ryan, was historically dominant, leading the league in nearly every defensive category. They allowed a minuscule 12.4 points per game - a figure unheard of in modern football. "85: the greatest team in football history" didn't just win; they obliterated opponents, setting a standard of defensive excellence rarely matched since. Their offensive firepower, led by Walter Payton, Jim McMahon, and a cast of talented players, provided a potent counterbalance to their stifling defense. Their playoff run, culminating in a resounding Super Bowl XX victory over the New England Patriots (46-10), cemented their place in NFL lore. This wasn't a close victory; it was a statement, a showcase of unparalleled dominance on the grandest stage. This kind of complete dominance across all phases of

the game is what makes many believe "85: the greatest team in football history" holds a unique position in the sport's annals.

This innovative defensive scheme, central to the success of "85: the greatest team in football history", shifted the power balance in football. Its aggressive blitzing strategies forced offenses to adjust their approaches, influencing defensive playbooks for years to come. Many teams attempted to replicate the 46's success, leading to a significant shift in defensive philosophy throughout the NFL. The lasting impact of the 46, a direct consequence of '85: the greatest team in football history's success, is undeniable evidence of their lasting influence on the sport.

H3: The Cultural Impact: Beyond the Gridiron

The 1985 Chicago Bears transcended the realm of sport; they became a cultural phenomenon. Their personalities, their swagger, their unbridled confidence, captured the public imagination. From the Super Bowl Shuffle, their iconic rap music video, to their individual player personalities, "85: the greatest team in football history" became synonymous with fun, dominance, and irresistible charisma. Their impact extended far beyond the game itself, shaping the way teams were marketed and perceived. The commercial success of the team, its cultural influence and its impact on the entertainment industry underscores the reach of "85: the greatest team in football history".

H4: The Debate Continues: Challengers to the Throne

While the case for "85: the greatest team in football history" is strong, the argument is never truly settled. Teams like the 1972 Miami Dolphins, the undefeated champions, the early dynasty-era teams of the Dallas Cowboys, and more recent dominant squads like the 2007 New England Patriots consistently enter the conversation. Each team possesses unique strengths and compelling arguments for greatness. However, the combination of regular season dominance, playoff success, defensive revolution, and undeniable cultural impact provides a compelling case for the 1985 Chicago Bears' claim to the title.

Conclusion:

The 1985 Chicago Bears' legacy extends far beyond their impressive win-loss record. "85: the greatest team in football history" represents a unique blend of on-field excellence, innovative coaching, and cultural impact. While the "greatest team ever" debate will likely continue for generations, the evidence supporting the 1985 Bears' claim is undeniable, leaving an undeniable mark on the history and strategy of the NFL. 85 the greatest team in football history: *Monsters* Rich Cohen, 2013-10-29 *Monsters: The 1985 Chicago Bears and the Wild Heart of Football* is the New York Times bestselling gripping account of a once-in-a-lifetime team and their lone Super Bowl season. For Rich Cohen and millions of other fans, the 1985 Chicago Bears were more than a football team: they were the greatest football team ever—a gang of colorful nuts, dancing and pounding their way to victory. They won a Super Bowl and saved a city. It was not just that the Monsters of the Midway won, but how they did it. On offense, there was high-stepping running back Walter Payton and Punky QB Jim McMahon, who had a knack for pissing off Coach Mike Ditka as he made his way to the end zone. On defense, there was the 46: a revolutionary, quarterback-concussing scheme cooked up by Buddy Ryan and ruthlessly implemented by Hall of Famers such as Dan Daniel Hampton and Samurai Mike Singletary. On the sidelines, in the locker rooms, and in bars, there was the never-ending soap opera: the coach and the quarterback bickering on TV, Ditka and Ryan nearly coming to blows in the Orange Bowl, the players recording the Super Bowl Shuffle video the morning after the season's only loss. Cohen tracked down the coaches and players from this iconic team and asked them everything he has always wanted to know: What's it like to win? What's it like to lose? Do you really hate the guys on the other side? Were you ever scared? What do you think as you lie broken on the field? How do you go on after you have lived your dream but life has not ended? The result is *Monsters: The 1985 Chicago Bears and the Wild Heart of Football*, a portrait not merely of a team but of a city and a game: its history, its future, its fallen men, its immortal heroes. But mostly it's about being a fan—about loving too much. This is a book about America at its most nonsensical, delirious, and joyful.

85 the greatest team in football history: *Team of the Century* Al Pickett, 2004 Fifty years ago Abilene High School, under legendary Coach Chuck Moser, became a football dynasty in Texas. Moser moved to Abilene in 1953 at age thirty-four. What followed were seven of the most amazing years in the rich history of Texas high school football. The 1954, 1955, and 1956 teams won state championships. From 1954 to 1957 the Eagles won an incredible forty-nine consecutive games. Abilene captured six district titles in a row in a rugged West Texas league known as the Little Southwest Conference. In Moser's seven years, Abilene won seventy-eight games and lost only seven. In its 1999 wrap-up of the twentieth century in Texas, The Dallas Morning News designated the Eagles of 1954-57 as the Team of the Century in high school football. 85 the greatest team in football history: *Beyond Broadway* Joe Bob Lederer, 2018-09-11 A celebration of the Jets' 1968 historic Super Bowl team, filled with exclusive insights and stories from

the surviving players, coaches, and management In 1968, Joe Namath, the quarterback of the New York Jets, dominated the headlines as a national celebrity and counterculture figure. The Jets were a vastly talented but underappreciated team that drew constant attention due to Namath, but were not taken seriously by fans. When the Jets earned their way to Super Bowl III to face an eighteen-point favorite Baltimore Colts squad, Namath put all the pressure on himself by shockingly “guaranteeing” a Jets victory. He fulfilled his promise, but knew he didn’t do it alone. As Broadway Joe said in the postgame locker room: “We’ve got the team, brother.” In *Beyond Broadway Joe: The Super Bowl TEAM That Changed Football*, thirty-six surviving members of that legendary 1968 team share for the first time their funny, poignant, and insightful personal stories about their Super Bowl teammates and coaches, and the historic win that changed football forever. Readers will learn what Namath’s teammates thought about his “guarantee,” find out what Jets coaches discovered on the field early during Super Bowl III that Namath and the defense used to frustrate the Colts, and delight in how the thirty-nine Jets who took the field each week with Namath enabled him to live up to his Super Bowl vow. Author Bob Lederer reviews head coach Weeb Ewbank’s never-before-seen player evaluations—that they didn’t know existed—and provides a rich history of the Jets franchise, from how these thirty-nine forgotten players became Jets, and the road ten of them took to become AFL all-stars in 1968. This definitive review of the entire Jets’ Super Bowl team is a must for every Jets diehard, for fans of the old American Football League, and for all who love the game.

85 the greatest team in football history: We Are the Troopers Stephen Guinan, 2022-08-30 Discover the unlikely story of the Toledo Troopers, the winningest team in the National Women's Football League, who won seven league championships in the 1970s—and gain full access to the players and key figures in the organization. Amid a national backdrop of the call to pass the Equal Rights Amendment, the National Women’s Football League was founded as something of a gimmick. However, the league’s star team, the Toledo Troopers, emerged to challenge traditional gender roles and amass a win-loss record never before or since achieved in American football. The players were housewives, factory workers, hairdressers, former nuns, high school teachers, bartenders, mail carriers, pilots, and would-be drill sergeants. Black, white, Latina. Mothers and daughters and aunts and sisters. But most of all, they were athletes who had been denied the opportunity to play a game they were born to play. Before the protests and the lobbyists, before the debates and the amendments, before the marches and the mandates, there was only an obscure advertisement in a local Midwestern paper and those who answered it, women such as Lee Hollar, the only woman working the line at the Libbey glass factory; Gloria Jimenez, who grew up playing sports with her six brothers; and Linda Jefferson, one the greatest, most accomplished athletes in sports history. Stephen Guinan grew up in Toledo pulling for his hometown football team, and—in the innocence of youth—did not realize at the time what a barrier-breaking lost piece of history he was witnessing. *We Are the Troopers* shines light on forgotten champions who came together for the love of the game.

Whether as a player, coach, broadcaster, pitchman, Hall of Famer, ambassador, or icon, Red Grange was, and still is, the face of the early NFL and one of the greatest athletes of all-time.

85 the greatest team in football history: *The Book of Basketball* Bill Simmons, 2010-12-07 #1 NEW YORK TIMES BESTSELLER • The wildly opinionated, thoroughly entertaining, and arguably definitive book on the past, present, and future of the NBA—from the founder of *The Ringer* and host of *The Bill Simmons Podcast* "Enough provocative arguments to fuel barstool arguments far into the future."—*The Wall Street Journal* In *The Book of Basketball*, Bill Simmons opens—and then closes, once and for all—every major NBA debate, from the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses

a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

85 the greatest team in football history: *The Things They Carried* Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

85 the greatest team in football history: *Jim Brown* Dave Zirin, 2018-05-15 A unique biography of Jim Brown—football legend, Hollywood star, and controversial activist—written by acclaimed sports journalist Dave Zirin. Jim Brown is recognized as perhaps the greatest football player to ever live. But his phenomenal nine-year career with the Cleveland Browns is only part of his remarkable story, the opening salvo to a much more sprawling epic. Brown parlayed his athletic fame into stardom in Hollywood, where it was thought that he could become “the black John Wayne.” He was an outspoken Black Power icon in the 1960s, and he formed Black Economic Unions to challenge racism in the business world. For this and for his decades of work as a truce negotiator with street gangs, Brown—along with such figures as Muhammad Ali, Bill Russell, and Billie Jean King—is revered as a socially conscious athlete. On the most hypermasculine cultural canvases of the United States—NFL football, the Black Power movement, Hollywood's blaxploitation films, gang intervention both inside and outside prison walls—Jim Brown has made his mark. Yet in the landscape of the most toxic expression of “what makes a man”—numerous accusations of violence against women—he has left a jagged mark as well. Dave Zirin's book redefines an American icon, and not always in a flattering light. At eighty-one years old, Brown continues to speak out and look for fights. His recent public support of Donald Trump and criticism of Colin Kaepernick are just the latest examples of someone who seems restless if he is not in conflict. Jim Brown is a raw and thrilling account of Brown's remarkable life and a must-read for sports fans and students of the black freedom struggle.

The mighty Cowboys, participants in five Super Bowls during the previous decade, had been crippled by poor drafts and untimely injuries. But head coach Tom Landry couldn't afford to tear the roster down and start all over from scratch. Rumblings of impatience from the owner's box made it imperative that Landry either right the ship...or be tossed overboard. *Landry's Last Stand* is the story of Tom Landry's final winning season in Dallas, when he guided the underdog Cowboys on a wildly unpredictable climb up the NFC East ladder. It's a story about a parting plea, a promise well-kept, and a race to the NFL playoffs too impossible to be anything less than true.
