For parents who are separating and want to put their children first, birdnesting could be the interim custody solution you've been looking for. Instead of the children splitting their time being shuttled between mom and dad's separate homes, birdnesting allows the children to stay in the "nest" and instead, requires mom and dad to swap, allowing each parent to stay elsewhere when not with the children. Initially popularized by celebrities, this method of coparenting is now becoming more mainstream as a way to help ease children into a new family dynamic. Birdnesting takes work and commitment but with Dr. Ann Gold Buscho's guidance, you'll learn everything you need to know about this revolutionary method. In The Parent's Guide to Birdnesting, you will discover the pros and cons, the financial and interpersonal considerations, and if it's the right decision for you and your family.

**a tourists guide to love parents guide: Beach Read** Emily Henry, 2020-05-18 Two writers. One holiday. A romcom waiting to happen... ----- 'One of my favourite authors' Colleen Hoover, It Ends With Us 'A great love story' Jodi Picoult, Wish You Were Here 'The perfect escapist romp' Laura Jane Williams, One Night With You January is a hopeless romantic who narrates her life like she's the lead in a blockbuster movie. Gus is a serious literary type who thinks true love is a fairy-tale. But January and Gus have more in common than you'd think: They're both broke. They've got crippling writer's block. And they need to write bestsellers before summer ends. The result? A bet to swap genres and see who gets published first. The risk? In telling each other's stories, their worlds might be changed entirely... Set over one sizzling summer, Beach Read is a witty love story that will make you laugh a lot, cry a little and fall head over heels. For fans of The Flat Share and If I Never Met You. ----- 'My heart ached for January, and Gus is to die for - a steamy, smart and perceptive romance' Josie Silver, One Night on the Island 'Full of banter, heat, and sexual tension, I felt the thrill of falling in love right alongside January and Gus. A gorgeous page-turner of a novel' Laura Jane Williams, One Night With You 'Funny, and seriously sizzling' Best 'If whipcrack banter and sexual tension is your catnip, you'll adore this book' Sally Thorne, The Hating Game 'Touching and heartfelt . . . **a tourists guide to love parents guide: Before We Were Strangers** Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior

House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

**a tourists guide to love parents guide:** *Content and Language Integrated Learning (CLIL): A Methodology of Bilingual Teaching* Bernd Klewitz, 2021-05-19 Learning foreign languages is a process of acquiring authentic contents in cultural contexts. In this respect, bilingual programs provide an effective connection between content-based studies and linguistic activities. The European umbrella term CLIL (Content and Language Integrated Learning) not only comprises the aims and objectives of a sustainable format of teaching foreign languages but also the priority of content over language, in other words: language follows content, as in the Bauhaus precept form follows function. But in order to effectively integrate content and language, a comprehensive pedagogical approach is needed that goes beyond existing curricula and guidebooks. Bernd Klewitz aims at establishing the CLIL methodology by linking content requirements of subject areas, especially those in the social sciences, with linguistic building blocks and tools. The integrative methodology of bilingual programs extends to the study of literature, traditionally a domain of language tuition, but thought to be a seminal part of CLIL as well. The building blocks and language tools presented in this volume focus on learning foreign languages in cultural contexts, aims, and objectives of CLIL, parameters of an integrated bilingual teaching strategy, dimensions of bilingual learning, elements of a CLIL concept, Literary CLIL, CLIL tools and strategies, modules with worked examples, challenges, and desiderata, and a comprehensive glossary. Each section is completed with an interactive part of review, reflection, and practice.
