Stanley, 2010-11-25 The New York Times–bestselling author of *The Millionaire Next Door* reveals the spending and saving habits of financially successful women. *Millionaire Women Next Door* presents a variety of groundbreaking concepts involving the personality, lifestyle, motives, beliefs, and spending habits of economically successful American businesswomen. Most of these women report being raised in nurturing family environments. They were trained not only to succeed financially but also to be generous in giving to noble causes. american business women day: Pioneering African-American Women in the Advertising Business Judy Davis, 2016-12-08 Much has been written about the men and women who shaped the field of advertising, some of whom became legends in the industry. However, the contributions of

African-American women to the advertising business have largely been omitted from these accounts. Yet, evidence reveals some trailblazing African-American women who launched their careers during the 1960s Mad Men era, and went on to achieve prominent careers. This unique book chronicles the nature and significance of these women's accomplishments, examines the opportunities and challenges they experienced and explores how they coped with the extensive inequities common in the advertising profession. Using a biographical narrative approach, this book examines the careers of these important African-American women who not only achieved managerial positions in major mainstream advertising agencies but also established successful agencies bearing their own names. Based on their words and memories, this study reveals experiences which are intriguing, triumphant, bittersweet and sometimes tragic. These women's stories comprise a vital part of the historical narrative on women and African-Americans in advertising and will be instructive not only to scholars of advertising and marketing history but to future generations of advertising professionals.

Sandberg, COO of Meta (previously called Facebook) from 2008-2022, provides practical advice on negotiation techniques, mentorship, and building a satisfying career. Carrie Morey started her company, Callie's Charleston Biscuits, with a simple goal: She wanted to make her mother Callie's delicious biscuits—unbelievably tender, buttery creations—accessible across the country. Carrie's handmade biscuits combine unique, brilliant flavors—sharp cheddar with fresh chives, cracked black pepper with cream cheese and green onions, and cinnamon biscuits so buttery they melt in your mouth. The biscuits are an iconic Southern staple, but they are just the beginning. Now Carrie Morey shares her modern approach to traditional Southern cooking in more than one hundred recipes that pair classic Lowcountry fare with surprising twists, for incredible results. Carrie guides you through the foundational techniques of Southern cooking to reveal how she developed her new takes on favorite heritage dishes and how to take the fuss and huge time investment out of traditional preparations. She shares skillet recipes passed down through generations, including Lemon Zest Cast-Iron Fried Shrimp, Macaroni Pie, and Cast-Iron Herb Lamb Chops. She gives roasting and slow-cooking techniques for Beef Stew with Herbed Sour Cream, Spicy Black-Eyed Pea Salad, and Roasted

Pimento Cheese Chicken. Her DILLicious Cucumber Sandwiches, BBQ Chicken Salad Biscuits, Fiery Pimento Cheese Deviled Eggs, and Summer Crab Salad will make any picnic or casual get-together a true Southern affair. And her desserts are to die for: Mama's Sour Cream Banana Pudding, Alex's Chocolate Chess Pie (so good that Carrie credits the pie for sparking her and her husband's whirlwind romance), and Blueberry and Peach Cobbler finish your meal on the perfect sweet note. Carrie also shares her family stories behind each recipe—growing up in Charleston, learning to cook from great Southern matriarchs, and founding and growing her business. Fill your kitchen with the comforting aroma of home-cooked goodness with Callie's Biscuits and Southern Traditions.

american business women day: Why Women Have Better Sex Under Socialism Kristen R. Ghodsee, 2018-11-20 A spirited, deeply researched exploration of why capitalism is bad for women and how, when done right, socialism leads to economic independence, better labor conditions, better work-life balance and, yes, even better sex. In a witty, irreverent op-ed piece that went viral, Kristen Ghodsee argued that women had better sex under socialism. The response was tremendous — clearly she articulated something many women had sensed for years: the problem is with capitalism,

not with us. Ghodsee, an acclaimed ethnographer and professor of Russian and East European Studies, spent years researching what happened to women in countries that transitioned from state socialism to capitalism. She argues here that unregulated capitalism disproportionately harms women, and that we should learn from the past. By rejecting the bad and salvaging the good, we can adapt some socialist ideas to the 21st century and improve our lives. She tackles all aspects of a woman's life - work, parenting, sex and relationships, citizenship, and leadership. In a chapter called *Women: Like Men, But Cheaper*, she talks about women in the workplace, discussing everything from the wage gap to harassment and discrimination. In *What To Expect When You're Expecting Exploitation*, she addresses motherhood and how having it all is impossible under capitalism. Women are standing up for themselves like never before, from the increase in the number of women running for office to the women's march to the long-overdue public outcry against sexual harassment. Interest in socialism is also on the rise -- whether it's the popularity of Bernie Sanders or the skyrocketing membership numbers of the Democratic Socialists of America. It's become increasingly clear to women that capitalism isn't working for us, and Ghodsee is the informed, lively guide who can show us the way forward.

american business women day: **Self Made** Nely Galán, 2016-05-31 For readers of #GIRLBOSS and viewers of *Shark Tank*—a global revolution in entrepreneurship is under way, inspiring women to blaze a trail of financial self-reliance and become self-made. Featuring a foreword by Suze Orman. What does it mean to be self-made? It's not just about having money, but financial empowerment is where it begins. It means getting out of survival mode, where you are one problem away from catastrophe. It means changing your mindset from instant gratification to goal orientation. It means being able to sleep at night without worry. It means being rich in every way: rich in money, rich in family, rich in love, rich in time—abundant! For Nely Galán—entrepreneur, TV producer, and real estate mogul—helping women to become self-made is a movement and a mission. Galán pulls no punches. She is the straight-talking friend and mentor you've always wanted, and here she shares valuable, candid, no-nonsense lessons learned on her own path to becoming self-made (“There is no Prince Charming”; “Think like an immigrant”; “In your pain is your brand”; “Don't buy shoes, buy buildings!”). You'll read inspiring stories of women who started and grew businesses out of ingenuity, opportunity, and need. You'll find exercises to help you identify your goals and your strengths. You'll learn tips and tricks for saving money, making money, and finding “hidden money” that can help jump-start your self-made dreams. When you become self-made, the change in you inspires change in those around you, because one of the greatest rewards of a self-made life is seeing how the sparks from your personal revolution can light a fire in others. So come, join the Self-Made movement. The revolution starts inside of you! Praise for *Self Made* “A much-needed and wise book that teaches women not to fear money but to see it as a means of reaching our dreams. Nely shows us how to become money courageous instead of finance fearful. I want to give this book to so many women (and men) I know. Thank you, Nely.”—Sandra Cisneros “Nely Galán and I have traveled the country together helping women grow their businesses and live their dreams. I know firsthand that Nely is the ultimate self-made woman and your best girlfriend. Her generosity of spirit jumps off the page as she shares the secrets of her hard-won success and her contagious confidence.”—Nell Merlino, creator of Take Our Daughters to Work Day and founder of Count Me In for Women's Economic Independence “Self Made teaches women to unleash their

spark and hustle. Nely inspires readers to use what they have to get what they want on their path to becoming self-made.”—Tory Johnson, “Deals & Steals” contributor on ABC’s Good Morning America and author of the #1 New York Times bestseller *The Shift* “You are not truly complete as a woman until you feel confident and empowered to make decisions about your money. Throughout my career, I have seen how a woman who takes ownership of her financial life is transformed and liberated, and how that in turn has a tremendous impact on her children. This is my belief and my personal experience, and it’s why *Self Made* resonates so strongly with me.”—Maria Elena Lagomasino, CEO of WE Family Offices and member of the board of directors of the Walt Disney Company, the Coca-Cola Company, and Avon Products, Inc.
