**arkansas real estate license exam: Arkansas Real Estate License Exam Prep** Stephen Mettling, David Cusic, Ryan Mettling, 2020-08-14 Features of Arkansas Real Estate License Exam Prep (AR-RELEP): National Principles & Law Key Point Review (60 pages) Real Estate Math Key Formula Review & Practice (17 pages) Arkansas-Specific Laws and Practices (28 pages) National Practice Tests (500 questions) Arkansas Practice Tests (100 questions) Arkansas Sample Exam (100 questions) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Arkansas Real Estate License Exam Prep (AR-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. AR-RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is Arkansas-specific - not just simplistic national content, but terse, relevant and accurate Arkansas laws and regulations presented as a well-organized set of state 'key point reviews' ideal for pre-test memorization. But let's not dismiss the importance of the national content either. AR-RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice - one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by Pearson Vue for Arkansas. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your Arkansas license exam. A word about the test questions... AR-RELEP's testing practice section consists of ten national practice tests, six state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by your state exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or "rationale" to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Arkansas real estate exam. So good luck!! Students looking for an Arkansas-specific real estate principles textbook can now purchase Principles of Real Estate Practice in Arkansas.

**arkansas real estate license exam: Arkansas Real Estate Salesperson & Broker State License Examinations Examfocus Study Notes & Review Questions** Exam Review, 2018-09-07 In Arkansas, it is the Real Estate Commission AREC's Licensing section which is responsible for ...reviewing applications of individuals who are applying to take the Arkansas real estate exam, issuing licenses to persons who enter the profession, annually renewing licenses issued to real estate brokers and salespersons, maintaining current license data and history for each licensee, and maintaining continuing education data for each licensee. Real Estate License Examinations, on the other hand, are developed and administered by Pearson VUE. Throughout the book we try to use the term real estate agent instead of being very specific since many of the real estate skills and knowledge actually apply to both salespersons and brokers (MOST EXAM TOPICS ARE HIGHLY SIMILAR IF NOT TOTALLY IDENTICAL). In fact, in many states the term agent and salesperson are often used interchangeably. A lot of topics are covered in the exams but we choose to focus on the legal and regulatory topics here. We give you knowledge information relevant to the exam specification. To be able to succeed in the real exam, you'll need to apply your earned knowledge to the question scenarios. Many of the exam questions are written to be less straight forward. They tend to be framed within the context of short scenarios. An advice: Do NOT rely on a single source for exam preparation. To secure exam success, always use multiple sources and read as much as possible! TAX RATES AND FEES TEND TO CHANGE FREQUENTLY. **arkansas real estate license exam: Massachusetts Real Estate License Exam Prep: All-in-One Testing and Testing to Pass Massachusetts' PSI Real Estate Exam** David Cusic, Stephen Mettling, Ryan Mettling, 2018-08-09 Features of Massachusetts Real Estate License Exam Prep (MA-RELEP): National Principles & Law Key Point Review (45 pages) Real Estate Math Key Formula Review & Practice (20 pages) Massachusetts-Specific Laws and Practices (35 pages) National Practice Tests (500 questions) Massachusetts Practice Tests (100 questions) Massachusetts Sample Exam (100 questions) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created Massachusetts Real Estate License Exam Prep (MA-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. MA-RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is Massachusetts-specific - not just simplistic national content, but terse, relevant and accurate Massachusetts laws and regulations presented as a well-organized set of state 'key point reviews' ideal for pre-test memorization. But let's not dismiss the importance of the national content either. MA-RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice - one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by PSI for Massachusetts. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your Massachusetts license exam. A word about the test questions... MA-RELEP's testing practice section consists of ten national practice tests, eight state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by your state exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or rationale to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Massachusetts real estate exam. So good luck!!
